

# *The* PATH

MORE THAN A BOOK.  
A JOURNEY TOGETHER.

A Leader's Kit for Guiding  
Young People in Identity,  
Trust and Grace.

# *The Path* Leader Resource Kit

If the young people you're walking with are searching for purpose, friendship, and meaning — they're not alone.

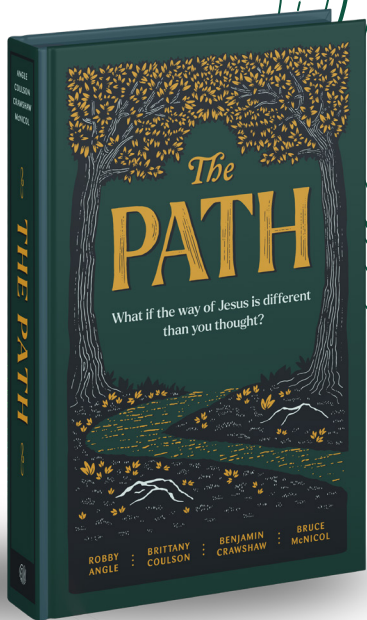

*The Path* was created to walk with them on that journey.

Through story and reflection, this resource invites students to explore what it means to find their true identity in Christ. Whether they're in middle school, college, or navigating life as a young professional — whether they're looking for direction, asking hard questions, or simply wanting to grow in their faith — *The Path* offers a compelling invitation to live with honesty, trust, and authenticity.

WONDERING  
IF THIS WOULD  
WORK FOR  
YOUR PEOPLE?

The Path has been used with youth groups, campus ministries, college chapels, young adult cohorts, mentoring relationships, and more. Scan here for ways to implement.

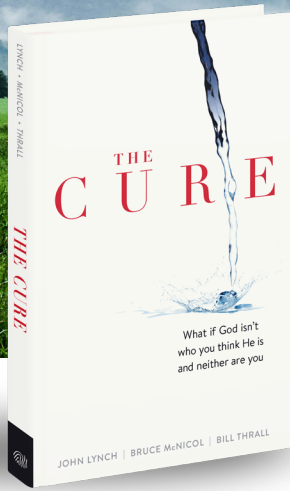

## Dear Fellow Traveler,

Some books aren't just meant to be read—they're meant to be experienced and shared.

That's why we created *The Path*.

We believe this story will resonate deeply with young people who are asking the big questions about identity, purpose, and faith. Students who are tired of formulas, hungry for authenticity, and ready for a grace that's real.

If you're walking with middle schoolers, college students, or young professionals — in any setting — we'd love to invite you to help us bring *The Path* to your community in a way that creates space for discovery, connection, and transformation.

## What connects *The Cure* and *The Path*?

If you're familiar with *The Cure*, you'll feel it in the pages of *The Path* — the deep theology of trust, grace, and identity is still there. But while *The Cure* called out to an older generation burned out on performance, *The Path* speaks with fresh language to a generation navigating:

- ∞ WHO AM I?
- ∞ CAN I REALLY TRUST GOD?
- ∞ IS COMMUNITY WORTH IT?

### Shared Truths:

- ∞ GOD IS A GOOD AND LOVING FATHER
- ∞ WE ARE SAINTS, NOT SINNERS TRYING HARDER
- ∞ TRANSFORMATION HAPPENS IN HIGH-TRUST RELATIONSHIPS

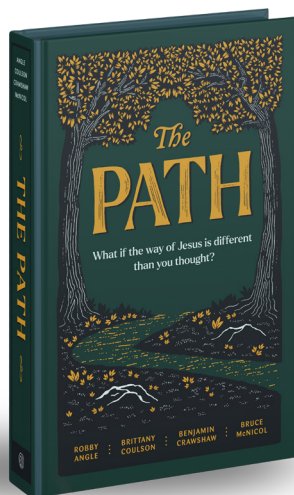

# Not just a book. A journey together.

*The Path* comes with a full ecosystem of resources — designed so you can meet your students exactly where they are, whether one-on-one or in a group.

We believe this generation is  
ready for more than behavior  
management or shallow answers.

*The Path* offers a way to engage young people with the truth of  
who God is and who they already are in him.— chosen, loved, and  
free to walk in grace.

We would be honored to help you bring this message to life in  
your community.

Tell us how we can best resource you and your students, groups, or  
constituency. What would help you take the next step?
