HUDSON GROUPS & CELEBRATIONS

Hudson takes you on a culinary journey across the USA. You'll see this reflected in the American food classics on the menu and the classy, comfy style of the restaurants. The urban, edgy look makes you feel like you've stepped into a trendy restaurant in New York. Steel, wood, chesterfield sofas, skulls, and pop-art murals define the locations.

The atmosphere in the restaurants is bold, warm, and easygoing, inviting you to linger at the table. The always spacious Hudson bar is also a great place to relax with cocktails, craft beers, and bar bites. From the open kitchen, Hudson dishes are prepared with passion and care.

HUDSON GROUPS & CELEBRATIONS

Your favorite Hudson location can be partially or exclusively reserved for celebrations. Perfect for private or corporate drinks, dinners, meetings, birthdays, or baby showers.

We're happy to think along with you about your personal wishes and gladly advise on additional entertainment options such as a DJ, live entertainment, cocktail bar, photobooth or decoration.

In this Hudson Groups & Celebration Guide, you'll find an overview of the dinner, meeting, and celebration packages available at all our Hudson restaurants. Of course, we'd also be happy to create a tailored proposal based on your wishes.

Let's Celebrate!
