

Center for Integrative Medicine Physician-Family Practice looking for a Bend MD/ND/DO/NP specializing in the area of Family Practice.

Job description: Center For Integrative Medicine is looking for a Bend MD/ND/DO/NP specializing in the area of Family Practice. CIM offers an alternative to the high stress, high volume and production-based practice. Care is delivered in a professional yet fun, team-oriented and collaborative environment. We have been providing personalized and compassionate healthcare in a private practice setting for over 20 years. Care is delivered in a professional yet fun, team-oriented and collaborative environment. Applicant must be striving towards excellence and motivated to work in an integrative setting offering both alternative and complimentary therapies in addition to conventional medicine. If you are looking to work in a non-corporate, healthy, lower stress environment delivering high-level healthcare consider CIM.

Full Time or Part Time Position
