

**Sexual
Assault
Awareness
Month**

Sandy Bay Harrier Club presents
Light Up The Dark Fun Run

Join us as we celebrate
movement, community
and help raise awareness
for safe spaces at night

By coming together, we shine a light on care, connection, and our shared commitment to creating communities where every person feels safe, respected, and free from harm. Your participation also helps raise vital funds for SASS, supporting ongoing services for victim survivors in our community.

Put on some glow paint, dress up in your brightest colours and enjoy a fun run with a difference during Sexual Assault Awareness Month
