## Valentine's Theme & Sharks

February was a sweet and joy-filled month in our classroom. We continued the study of Sharks along with our Valentine's theme!

### LOVE - KINDNESS - FRIENDSHIP

The children enjoyed learning about love, kindness, and friendship through meaningful conversations, hands-on activities, and creative works. Each day, at circle time, we shared our daily friendship tip and practised it throughout the day.

Throughout the month, the children worked on a variety of Valentine-themed activities including fine-motor works, cutting activities, tracing, coloring sheets, and fun Valentine crafts. During circle time, we shared stories about kindness and friendship, practiced gentle words, and enjoyed singing cheerful songs that helped us celebrate this special season.

One of the highlights of the month was our Valentine's Gift Exchange! The children had so much fun preparing their Valentines and sharing them with their friends. They were truly excited to give and receive special notes and treats, and it was beautiful to see the joy and kindness they showed one another during this activity.

## President's Day

At circle time we read books and shared pictures of Presidents of our country discussing their lifestyles and accomplishments.

The children were thrilled to see the silhouettes of George Washington and Abraham Lincoln on pennies and quarters.

## A SPECIAL THANK YOU Valentine's Craft

A **heartfelt thank you** to our **Parents of the Month**, Mrs. Ahmed, Mrs. Basaria, Mrs. Sharpe, and Mrs. Brunell for making February extra special!

The children enjoyed making the Valentine's bags/totes, which were used for our exchange, and the results were adorable.

**Thank you** for your time, creativity, and support— it truly made this activity meaningful and so much fun for the children.

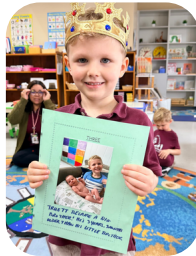

## Birthdays

### Pioneers:

Vera 4  
Truett 4  
Aiden 4

### Adventurers:

Liam 6

## THANK YOU FOR YOUR LOVE

**Thank you** to all the **parents** for showering us with all the flowers, sweets and cards. We felt loved and appreciated!

## Upcoming Dates

- Thursday March 12th: Spring Picnic
