Disclosure Statement

(Made pursuant to and for the purposes of the Bermuda Digital Asset Business (Client Disclosure) Rules 2018)

1. Introduction	1	2.4.	Capital Providers will receive Participation Tokens that represent their Capital Investment in an Account and will be entitled to trade those Tokens.
2. Our Platform	1		
3. Disclaimer	1	3. Disclaimer	
4. Material Risks	1	3.1.	Except as specifically provided for in our Agreement with you, we disclaim and exclude, to the full extent that is permitted by applicable law, all liability that we may otherwise have for, relating to, connected with, or arising from our operation of, or failure to operate, the Platform, and/or any conduct by you in respect of our Platform.
5. Matters applicable to our Services	3	3.2.	We do not give advice or recommendations regarding any Tokens or Transactions, including without limitation the suitability, appropriateness and lawfulness of, and investment strategies for, any Token. If you would like professional advice about these matters, you should consult with your own financial advisors or lawyers regarding your individual circumstances and objectives.
6. Cyber Reporting	6		
7. Privacy	6		
8. Glossary	6		
9. Acknowledgement and Representation	8	4. Material Risks	
1. Introduction		4.1.	We summarise below the material risks associated with our Platform and with our other services and activities. You should carefully consider whether using our Platform and/or our other services are suitable, appropriate and lawful for you.
1.1.	Welcome to Nayms. We are a crypto-compatible marketplace for insurance capitalisation and risk transfer. We provide the technical and regulatory infrastructure on which stakeholders come together to conduct crypto-native insurance.		
1.2.	We are licensed in Bermuda for all activity within our marketplace.	Financial Risks	
1.3.	This Statement is being provided in accordance with the requirements of the Digital Asset Business (Client Disclosure) Rules 2018.	4.2.	There are various financial risks in using the Platform, including those that pertain to Capital Investments, Claims and Tokens.
1.4.	Please read this Statement carefully as it sets out important information about Nayms (we, us or our) and our Platform for our clients (you or your).	4.3.	In the event of a valid Claim:
1.5.	A glossary of defined terms appears at the end of this Statement.	4.3.1.	our liability for settlement of such Claim shall be limited to and payable solely from the assets of the applicable Segregated Account; and
2. Our Platform		4.3.2.	where the assets of the applicable Segregated Account are insufficient to meet the Claim, the claimant shall have no recourse to any other assets of Nayms and Nayms' obligations in respect of such Claim shall be extinguished once all available assets have been applied.
2.1.	Nayms operates an insurance marketplace that is integrated with Blockchain technology and Smart Contract functionality and over which prospective Insureds may be issued Insurance Contracts that are denominated and administered in cryptocurrency.	4.4.	Tokens available via or usable on the Platform:
2.2.	Third parties, including Sponsors, may facilitate the arrangement and administration of Insurance Contracts over our Platform subject to the terms of a services agreement between the third party and Nayms.		
2.3.	All insurance business will be transacted through a specific Segregated Account which will be established by Nayms and which will be capitalised in cryptocurrency by Capital Providers to meet the prospective liabilities of the Account to Insureds.		

- 4.4.1. may fluctuate in Value and may move against your interest;
- 4.4.2. may lose some or all of their Value under some circumstances, such as from adverse market movements;
- 4.4.3. are generally not legal tender (except for certain cryptocurrencies in a small number of jurisdictions (e.g. Central African Republic, El Salvador)) and, as far as we have been able to ascertain, do not benefit from any backing, protection and/or insurance or compensation scheme of any government, regulatory authority, or any other public or private institution;
- 4.4.4. do not receive the same legal and/or regulatory protection which applies to bank account deposits and are not protected by any refund rights under applicable law;
- 4.4.5. may cease to be supported by the Platform at our discretion or due to changes in or failures of technology;
- 4.4.6. are Linked to the General Account or a Segregated Account; and
- 4.4.7. may be or become subject to Taxation, whether on the proceeds of a sale of Tokens or from income from Tokens or otherwise related to Tokens, which may be imposed by the authorities in Bermuda and/or other jurisdictions.
- 4.5. Capital Investments into a Segregated Account on the Platform:
 - 4.5.1. may not perform as expected from information that has been provided by or on behalf of the Segregated Account or in accordance with the past experience of the Segregated Account;
 - 4.5.2. may not be sufficient to meet the liabilities of the Segregated Account; and
 - 4.5.3. may lose some or all of their Value for a variety of reasons, including but not limited to:
 - (a) the requirement for Capital Investments to meet Claims liabilities of the applicable Segregated Account;
 - (b) credit risks in respect of our counterparties, including the failure of Insureds to settle Premiums;
 - (c) fraud, including fraudulent Claims.
- 4.6. The nature of our business requires the application of complex financial accounting rules and it is possible that we may in the future experience errors in the application of such rules due to human error,

malfeasance, insider threats, system errors or other vulnerabilities.

System and Cyber Risks

- 4.7. There are various IT system and cybersecurity risks in using the Platform, including those that pertain to Components and Profiles.
- 4.8. The Components of the Platform:
 - 4.8.1. may fail to function as intended and/or designed such that Transactions may not be executed according to your instructions, if at all;
 - 4.8.2. require access to the internet for their availability and functionality, including Transactions and communication with existing and potential clients, employees, and other persons, such that any disruption in our or your access to the internet for any reason may delay, impair, or preclude Transaction(s) and/or other activities on the Platform;
 - 4.8.3. may rely on third parties and technologies, including Blockchains, for the successful operation of the Platform and other aspects of our business, such that any interruptions as experienced by these third parties or technologies may impair our ability to make, or disable us from making, the Platform available to you and/or providing our services to you;
 - 4.8.4. are vulnerable to Cyber Attacks and fraud, notwithstanding our Safeguards, which can have serious consequences for you, including:
 - (a) cost;
 - (b) loss of confidential information, including personal information;
 - (c) loss of Tokens;
 - (d) regulatory breach;
 - (e) reputational damage;
 - (f) business interruption;
 - (g) structural and financial instability;
 - (h) malfunction or loss or corruption of data, software, hardware or other computer equipment;
 - (i) transmission of computer viruses and other malware; and
 - (j) unauthorised access to your Profile.
- 4.9. Your Profile on our Platform:
 - 4.9.1. is subject to suspension or termination at our discretion or to comply with applicable laws,

- regulations, or orders from a relevant government or regulatory authority;
- 4.9.2. may be accessed by an unauthorised party unless you successfully safekeep all relevant passwords or security credentials; and
- 4.9.3. is deemed by us, unless you have informed us otherwise, to be used by you or persons authorised by you and we are entitled to treat every action taken via your Profile as an action authorised and undertaken by you.

Compliance Risk

- 4.10. The laws and regulations governing Blockchain-based assets and Transactions, including Tokens, are uncertain and subject to potential future change. We make no representation as to the legality or otherwise of any person's holding, trading or otherwise transacting in Tokens, and/or as to entry into or performance of any Smart Contract.
- 4.11. If you hold, trade or otherwise transact in Tokens, and/or enter into or perform any Smart Contract, you do so at your own risk as to the legality or otherwise thereof.
- 4.12. Future changes in Bermuda laws and regulations, and or in the laws and regulations of other jurisdictions, may:
- 4.12.1. require us to change, restrict, suspend or terminate the services we provide, including but not limited to the Platform, Tokens, Segregated Accounts, and/or any other aspect of our business activities and operations; and/or
- 4.12.2. require us to change, restrict, suspend or terminate any aspect of our business plan, strategic objectives and/or investment strategy; and/or
- 4.12.3. may cause you damage and loss, whether consequential to 4.12.1 to 4.12.2 above or otherwise.

5. Matters applicable to our Services

Class of Licences

- 5.1. We hold a Class IIGB licence under the Insurance Act, effective 1 May 2022 and we hold a Class F licence under the DAB Act, effective 2 May 2022, each as issued by the BMA.
- 5.2. We are supervised by the BMA as an IIGB licensed insurer under the Insurance Act and we are registered as a SAC under the SAC Act. As such, we

are subject to specific legislation enacted by the Bermuda Parliament and to regulations, rules, policy and guidance promulgated by the BMA and other Bermudian authorities.

- 5.3. The limitation, restriction, suspension or revocation of our existing Bermudian licences for any reason could:
- 5.3.1. cause one or more of our Segregated Accounts to become unable to enter into any new (re)insurance contracts, and/or to become unable to perform any existing (re)insurance contracts previously formed in the name of and on behalf of that Segregated Account, potentially indefinitely or until we obtain a relevant licence or licences in another jurisdiction; and
- 5.3.2. negatively impact our reputation in the (re)insurance marketplace and may have a material adverse effect on our ability to do business going forward, and/or to implement our current business plan, strategic objectives, and/or investment strategy.
- 5.4. Our Class IIGB licence under the Insurance Act requires as follows:
- 5.4.1. we shall, at all times in and during the course of each financial year we carry on "insurance business", as such expression is understood in the Insurance Act, meet and maintain the relevant solvency margin(s), liquidity and other ratios applicable under Bermuda law;
- 5.4.2. we shall only transact insurance business that is defined as "general business", as such expression is understood in the Insurance Act;
- 5.4.3. we shall not, without obtaining the prior written approval of the BMA, write any "long-term business", as such expression is understood in the Insurance Act;
- 5.4.4. our counterparties shall be limited to the following entities:
- (a) insurance brokers permitted to place insurance business in Bermuda;
 - (b) insurance agents who act on behalf of or provide services to entities registered in Bermuda;
 - (c) insurers that are regulated in Bermuda, the UK, US and Europe. Insurers licensed in other jurisdictions will require the prior written approval of the BMA; and

- (d) qualified acquirers as defined under the Digital Asset Issuance Act 2020 as Capital Providers;
- 5.4.5. we shall maintain our registration under the SAC Act;
- 5.4.6. our General Account shall not write any insurance business;
- 5.4.7. subject to paragraph 5.4.8 below, each Segregated Account shall fund its insurance exposures using the equivalent denomination that is used to underwrite the risks;
- 5.4.8. we are permitted to use, interchangeably, fiat currencies with stablecoins as defined under Schedule XXV of the Insurance (Technical Standards) (Class IIGB) (Solvency Requirement) Rules 2020;
- 5.4.9. each Segregated Account shall not, without the prior written approval of the BMA, write insurance business other than the lines of business defined in its submitted business plan.
- 5.5. Our Class F licence under the DAB Act requires as follows:
- 5.5.1. we will conduct business in accordance with our business plan presented to the BMA in the following activities only:
- (a) issuing, selling, or redeeming virtual coins, tokens, or any other form of digital asset;
- (b) operating as a payment service provider business utilising digital assets which includes the provision of services for the transfer of funds; and
- (c) operating as a digital asset exchange;
- 5.5.2. we will maintain a minimum net asset amount of USD \$300,000 or its value equivalent. At any time, the BMA may require additional net assets based upon its own risk review;
- 5.5.3. we maintain our registration under the Insurance Act 1978; and
- 5.5.4. our counterparties shall be limited to those specified in paragraph 5.4.4. above.

Schedule of Fees

- 5.6. We charge fees for our services, about which you will receive prior notice with specific details. Our fees are calculated, due and payable as shown below:

ITEM	CALCULATION	PAYMENT DUE DATE	METHOD OF PAYMENT
Segregated Account initial setup	Fixed fee, payable once	Within 14 days of the date of our invoice	Fiat bank transfer
Segregated Account renewal, payable annually	Fixed fee, payable annually	Payable annually, within 14 days of the date of our invoice	Fiat bank transfer
Segregated Account management	Commission, percentage of Premium	The date of each periodic payment of Premium	Cryptocurrency transfer
Segregated Account capitalisation	Commission, percentage of all Capital Transactions	The date of the Capital Transaction	Cryptocurrency transfer
Strategic Risk Pool performance management fee	Commission, percentage of Segregated Account assets	Bi-annually, subject to terms	Cryptocurrency transfer

Insurance

- 5.7. We will, at our own cost, effect and maintain for the duration of our Agreement with you civil liability, crime (including theft) and cyber insurance cover to a minimum indemnity limit of one million US dollars (\$1,000,000) in the aggregate per annum.

Irrevocability of Transactions

- 5.8. Transactions on the Platform, once submitted to and cleared by the Blockchain, do not admit of revision or reversal of the Transaction in question, by us or anyone else.

Governance or Voting Rights

- 5.9. There is no mechanism for allowing governance or voting rights with regard to Tokens on the Platform.

General Rights and Obligations

- 5.10. We disclaim and exclude to the full extent permitted by applicable law all liability we may otherwise have for, relating to, connected with, or arising from any unauthorised, mistaken or accidental transfer of any assets that occurs on or via the Platform. Nevertheless, in relation to any such transfer, we may, at our discretion, use reasonable commercial efforts to assist you.
- 5.11. You must keep the contact information in your Profile up-to-date via the Platform so that the information we hold about you is at all times complete and accurate for all purposes, including for regulatory and any other legally required reporting by Nayms to third parties.
- 5.12. You may only cancel a Transaction initiated via the Platform if such cancellation occurs before your Transaction has been executed via the Platform.
- 5.13. Your instructions to execute a Transaction may be denied at our discretion or to comply with applicable laws, regulations, or orders from a relevant government or regulatory authority.
- 5.14. Upon your request, we will provide you with a formal receipt for a transfer or exchange on our Platform by email within fourteen (14) days of your request.
- 5.15. Where we have agreed with you that we have the right to change the terms and conditions of any of our services or policies, we will give you not less than thirty days' prior written notice by email or via the Platform of any such change.

Information

- 5.16. At the conclusion of any Transaction you will have access to the following information via our Platform:
- 5.16.1. our name and contact information;
- 5.16.2. contact information allowing you to request information about:
- (a) your account;
 - (b) our business activities in general; or
 - (c) how to make a complaint to us via our complaint handling process;
- 5.16.3. the type, value, date, precise time, and amount of all Transactions applicable to your account;
- 5.16.4. the fee charged by us for Transactions, including any charge for conversion of a digital asset to another digital asset or to fiat currency.

Our Structure

- 5.17. As a SAC, we are required by the SAC Act to segregate the assets and liabilities that are Linked to each Segregated Account from the assets and liabilities that are Linked to every other Segregated Account and from the assets and liabilities of our General Account.
- 5.18. Subject to the SAC Act, any liability Linked to a Segregated Account shall be a liability only of that Segregated Account and not the liability of any other Segregated Account and the rights of creditors in respect of such liabilities shall be rights only in respect of the relevant Segregated Account and not of any other Segregated Account.
- 5.19. The SAC company structure, and related principles for the segregation of assets and liabilities within a Segregated Account, have been considered and upheld in judgments handed down by Bermuda's courts. However, the SAC company structure and related legal principles may not be recognised in some other jurisdictions, or may be construed in a manner that is not consistent with the legislative intent which the Bermuda Parliament had when enacting the SAC Act.
- 5.20. As further set out in any relevant Agreement between us, the holders of Participation Tokens on our Platform are not, by reason of that status, shareholders of Nayms, and only have a contractual interest in the Segregated Account linked to those Tokens.
- 5.21. By only writing insurance business through a Segregated Account our business is structured to reduce the risk of becoming insolvent. However, you should be aware that in the event of insolvency of Nayms one or more of our Segregated Accounts may

become unable to enter into any new (re)insurance contracts and/or become unable to perform any existing (re)insurance contracts, whether by reason of insolvency or otherwise and/or your Tokens may lose all of their Value.

- 5.22. We are a recently established business that has a limited trading history, which, combined with the rapidly evolving nature of the crypto asset market in which we operate, may impact our ability to successfully and efficiently manage our business as we grow.

6. Cyber Reporting

We shall disclose to affected clients a "cyber reporting event", as defined under section 2(1) of the DAB Act, where a breach leads to unauthorised access to or misuse of client information.

7. Privacy

You can see how we use personal information by visiting nayms.com/privacy or by contacting our privacy officer at privacy@nayms.com.
