

Disclosures & Schedule of Fees for Commercial Accounts

Effective June 2026

Schedule of Fees on Commercial Accounts

Balance Information - Balance requirements to avoid service fees refer to minimum average monthly (ledger) balance.

Interest and Other Information for Checking, Savings & Money Market Products

Rate Information - Current interest rates and Annual Percentage Yields (APY) are available at any of City National Bank of Florida's (CNB) banking locations or by calling 1-800-435-8839.

Variable Rates - All interest bearing checking, savings, and money market deposit accounts earn a variable rate of interest. At our discretion, the interest rate and APY may change at any time.

Compounding and Crediting - Interest on all interest-bearing checking, savings and money market accounts is compounded and credited monthly. If the balance of the account ends with a zero balance at the end of the related interest period, all interest otherwise due to you is forfeited and shall not be paid for such interest period. To avoid this loss of interest you must keep a balance in the account until interest is paid.

Balance Computation Method - We use the daily balance method to calculate interest; this method applies the daily periodic rate to the bank collected balance in the account each day. See note 7 for IOTA Interest Checking Account variance.

Non-Cash Deposits - If you deposit a non-cash item, such as a check, interest will begin to accrue no later than the business day the bank receives provisional credit for the deposit.

Transaction Limitations for Savings and Money Market Accounts - We require by contractual agreement a restriction on the number of transfers or withdrawals that can be conducted from Savings and Money Market Accounts. No more than six transfers or withdrawals, or a combination of such transfers or withdrawals per monthly statement cycle, to another account of the depositor at CNB (excluding automatic overdraft protection, sweep agreements, repurchase agreements, and ICS transfers) or to a third party by means of a pre-authorized or automatic transfer (ACH, telephone, internet banking, etc.) or withdrawals by check, draft, debit card, or similar order made by the depositor. If you exceed these limitations, you will be charged an Excess Transaction Fee per transaction.

Withdrawal Restrictions for Savings and Money Market Accounts - Federal regulation permits CNB, at its sole discretion, at any time, to impose a seven (7) day advance notice of withdrawal requirement in order for you to withdraw money from your savings or money market accounts.

Interest and Other Information for Certificates of Deposit

Rate Information - Current interest rates and Annual Percentage Yields (APY) are available at any of CNB's banking locations or by calling 1-800-435-8839. The APYs quoted on all Certificates of Deposit assume interest remains on deposit until maturity. A withdrawal will reduce earnings.

Fixed Rates - All Certificate of Deposit accounts earn a fixed rate of interest, which is set at the opening of the account. If a Certificate of Deposit is automatically renewed, the rate will be fixed on the renewal date for the renewal term.

Compounding and Crediting - For Certificates of Deposit with terms less than one year, the interest may be paid monthly or at maturity. These monthly payments may only be made by crediting another CNB account. Interest may only be added on to the certificate for payments made at maturity. For certificates with maturities of one year or more, the interest may only be paid monthly by crediting another CNB account or credited to the certificate at maturity. For certificates with maturities greater than one year, which do not distribute interest otherwise, interest will be compounded and only credited to the certificate annually.

Balance Computation Method - We use the daily balance method to calculate interest; this method applies the daily periodic rate to the bank ledger balance in the account each day.

Automatic Renewal - Your Certificate of Deposit is automatically renewable unless otherwise stated on the account disclosure provided to you at account opening. There is a two (2) business day grace period (for terms less than 30 days) or ten (10) calendar day grace period (for terms of 30 days or greater) from the maturity date to withdraw your funds without being charged an early withdrawal penalty. If you withdraw funds during the grace period, interest will not accrue. If your account disclosure indicates that your Certificate of Deposit is not automatically renewable, interest will not accrue after maturity. To make changes to your Certificate of Deposit or prevent an automatically renewable Certificate of Deposit from renewing, you must notify us in writing no earlier than 10 days before the maturity date, at maturity, or within the 10-day grace period after maturity. Any changes will take effect at maturity or renewal.

Transaction Limitations - After your Certificate of Deposit account is opened/renewed, you may not make additional deposits/changes to your account. Withdrawals made prior to maturity will be assessed an early withdrawal penalty.

Early Withdrawal Penalties - If there are any withdrawals of either credited interest and/or funds deposited into a Certificate of Deposit prior to the maturity date, an early withdrawal penalty will be assessed as stated below.

Term of Certificate of Deposit	Penalty for funds withdrawn prior to the maturity date:
7 days	7 days simple interest earned
30 days up to and including six months	Based on a 12 month year, the penalty will be 1 month of the simple interest earned (this computation is based on a 360 day year)
Greater than six months and up to one year	Based on a 12 month year, the penalty will be 3 months of the simple interest earned (this computation is based on a 360 day year)
Greater than one year	Based on a 12 month year, the penalty will be 6 months of the simple interest earned (this computation is based on a 360 day year)

Where necessary to comply with the requirements of imposing any of the aforementioned penalties, a portion of the principal may be forfeited if the certificate has not earned sufficient interest prior to the withdrawal or interest has previously been paid to the owner.

CNB is required to honor a request for withdrawal prior to maturity, without assessing a penalty, in the event of the death or judicially declared mental incompetence of the owner of the account. CNB will not assess an early withdrawal penalty on Certificates of Deposit which are being held as part of an IRA Plan at CNB, if the owner has attained the age of 59 ½ or becomes disabled. For specifics on this product, refer to IRA disclosure available at the banking offices.

known and acceptable contractual, fiduciary relationship or other acceptable relationship (e.g., attorneys, CPAs, property management companies, etc.). Deposit tickets or electronic deposits (e.g., wires, ACH, etc.) must indicate your client's name and sub-account number. Account owner certifies to CNB that they are authorized by their client to make deposits and withdrawals to the sub-accounts. Withdrawals from a sub-account can be made at either the master account or sub-account level. Before the master account can be closed, all sub-accounts must first be closed. Fees applicable to the master and sub-accounts will depend on the Checking or Money Market/Savings Product selected and other transaction or service related charges are listed within this *Disclosures & Schedule of Fees*.

Other Services

CNB offers a variety of other services for its commercial customers, including cash management services, lockbox services, international banking and repurchase agreement accounts. Disclosures and fees for these services are available by contacting your CNB bank representative.

Additional Foreign Wire Transfer Fee Information

Correspondent bank charges will be deducted from the amount received by the beneficiary. The charge will vary depending on the amount of the wire, ranging from \$8.00 to \$30.00, and is subject to change. These charges apply if a CNB correspondent bank is used, however if the sender chooses a different intermediary bank, CNB has no control over the amount charged. Also, the beneficiary may be charged a fee for receiving an incoming wire, which is controlled by the beneficiary bank. In addition to the Wire Transfer fees charged, CNB retains a nominal spread on the Foreign Exchange (FX) rate provided by our correspondent bank. Upon request, CNB will provide you with that spread on the Foreign Exchange (FX) rate.

Miscellaneous Service Charges for Non-Account Holders

ATM Usage Fee	\$3.95
---------------------	--------

Other Commercial Services

City Client Fund Manager ("CCFM")

The master account is established in the account owner's name and linked to related client accounts (hereinafter "sub-accounts"). CNB is not acting as escrow agent or in any other fiduciary capacity with respect to your master account or client sub-accounts. Each client sub-account will be a separate account; it can be an interest bearing or non-interest bearing account, opened by the account owner in the name of a party or parties to be designated by you at the time these accounts are opened. Account owner shall have exclusive dominion and control over the sub-accounts. Account owner is required to provide CNB with the legal name, taxpayer identification number, physical address, and date of birth (if applicable) of the party for whom the client sub-account is being opened, or any other information as CNB may request from time to time. CNB will permit the CCFM to be established only when the account owner and client have a

Item Processing, Posting and Payment

We may not process and post credit, debits, and holds to your account in the order they occur or we receive them. When multiple items are presented on a banking day, the Bank generally processes all credit items deposited (e.g., deposited checks, incoming wire transfers, etc.) first, followed by debit items (e.g., outgoing wires, checks, etc.). You agree that we may credit items to and debit items from your account by posting such items arriving to your account on the same day by order of posting and category which we choose in our sole discretion. Typical categories of payment/debit types include: ACH, cashed out items, ATM transactions, point-of-sale (POS), Wires, inter-day transfers between your accounts, and checks. In choosing processing priorities for checks and other debit items, the posting order for all categories of debits, except fees, will be handled in the same manner, posting lowest-to-highest dollar amount. For example, in the category of check processing, we will process checks received on a given day from lowest-to-highest. We may change the priority or order of any category, at any time, without notice to you; however, for your benefit, we will not change the lowest-to-highest payment of items within a category without prior notice. We further reserve the right to change the order of posting / payment priority without notice to you if we suspect fraud or possible illegal activity affecting your account. If the dollar amount of the debit items received exceeds the amount available, at the time those items are presented, the Bank, at its discretion may pay or return those items. For each item presented in excess of the amount available in the account, the Bank may impose a fee. Please refer to the Bank's applicable *Disclosure & Schedule of Fees* for the current amount of those fees.

Notes

- 1 - This account has an earnings credit, which may partially or completely offset the maintenance and service fees incurred by your account. The earnings credit is calculated on the average monthly "positive" ledger balance in your account, less CNB reserves. Without prior notice and solely at our discretion, the earnings credit may be adjusted at any time. Actual fees charged to your account, including the rate of earnings credit, are reflected on your Detailed Account Analysis statement and said statement may be provided upon request.
- 2 - If you close your account before interest is credited, you will not receive the accrued interest.
- 3 - Attorney's Trust Accounts participating in the Funding Florida Legal Aid (FFLA) program are eligible to maintain an IOTA account. Interest on the IOTA account will be paid to the FFLA. CNB requires an operating account in the name of the law firm in order to charge any non-permissible service charges that the state program does not permit to be paid from the interest earned on the IOTA account, e.g., , wire transfer, return check, overdraft fees, etc.
- 4 - And any fraction thereof.
- 5 - Transaction items include but are not limited to deposit tickets, checks paid (including electronic payments), deposited items (branch and remote deposit capture), withdrawals and ACH debits.
- 6 - Transaction fees for transaction items in excess of 200 for the Business Essentials Checking Account, and 500 for the Business Advantage Checking Account will be reflected on your monthly statement as a "maintenance fee".
- 7 - The daily periodic rate is applied to the ledger balance from the day of deposit on IOTA Interest Checking Accounts. When the Prime Rate ("indexed rate") is between 325 and 499 basis points (3.25% and 4.99%), the minimum interest rate paid net of all fees and service charges ("yield") must be no less than 300 basis points (3.00%) below the indexed rate in effect on the first business day of each month. When the indexed rate is 500 basis points (5.00%) or above, the yield must be no less than 40% of the indexed rate in effect on the first business day of each month.
- 8 - No interest will be earned if the balance falls below the minimum required collected balance.
- 9 - Percent of amount for transactions done outside the U.S. whether foreign currency is converted or not.
- 10 - Accounts will be deemed dormant after eighteen (18) months of inactivity.
- 11 - This fee is in addition to any statutory fee permitted. If state or federal law prohibit or limit said charges, then this fee will be assessed accordingly, or not at all.

- 12 - You must link two accounts in order to derive the benefits of this service. Calls us to assist you in establishing this service. It is important to note, you must have the available balance in your second account to cover the overdrawn amount plus the assessed fee for the service to function.
- 13 - Contents of safe deposit boxes are not insured by the FDIC.
- 14 - If a check or other item drawn on your account has not yet been paid, we may accept your request to place a stop payment order. A properly signed stop payment order remains effective for six (6) months from the date it is received and will automatically expire at the end of that period unless the item is presented for payment or the order is renewed in writing (upon renewal additional fees will apply). If the item is presented for payment during the six-month period, the stop payment will be applied at that time, and the order is considered fulfilled. Refer to the Deposit Agreement for additional details on stop payments.
- 15 - If the Electronic/ACH transaction drawn on your account has not yet been paid, we may accept your request to place a stop payment order. A properly signed single Electronic/ACH stop payment order remains effective for six (6) months from the date it is received and will automatically expire at the end of that period unless the transaction is presented for payment or the order is renewed in writing (upon renewal additional fees will apply). If the transaction is presented for payment during the six-month period, the stop payment will be applied at that time, and the order is considered fulfilled. Recurring Electronic/ACH stop payment orders remain effective for six (6) months from the date they are received, unless renewed or revoked in writing. Refer to the Deposit Agreement for additional details on stop payments.
- 16 - This account will refund up to two (2) Wire Transfers Incoming Fees per month. Accumulated Wire Transfers Incoming Fees, from the previous month, will be refunded at the beginning of the following month. If you close your account before the accumulated Wire Transfers Incoming Fees are refunded, you will not receive the accumulated amount.
- 17 - This account includes, at no extra cost, unlimited incoming and outgoing wire transfers and ACH transactions when using the ePartner Wire Module, ePartner ACH Module, and Bill Pay services.
- 18 - The Monthly Maintenance Fee will be reimbursed within three (3) business days after it was assessed, if the Minimum Average Monthly Balance of \$50,000 is maintained. If you close your account before the Monthly Maintenance Fee is reimbursed, you will not receive the reimbursement.
- 19 - If the Minimum Average Monthly Balance of \$50,000 is maintained during the first 12 months of the account being opened, the monthly Business Unlimited Service fee will be reimbursed within three (3) business days after it was assessed. After the first 12 months of the account being opened, the monthly Business Unlimited Service fee will be discounted by \$25 if the Minimum Average Monthly Balance of \$50,000 is maintained. The \$25 discount will be reflected as a credit to the account within three (3) business days after the monthly Business Unlimited Service fee is assessed. If you close your account before the Business Unlimited Service fee is credited, you will not receive the credit.
- 20 - This Business Unlimited Service includes up to four (4) additional accounts in the ePartner platform with access to ePartner Wire Module, ePartner ACH Module, ePartner Office Deposit (RDC) and ACH and Fraud Protection.
- 21 - Wire Transfers Fee: Incoming will be \$0 if the wire transfer is originated from a CNB account to a CNB personal account.
- 22 - The IOLTA shall be: (1) established in the name of the attorney, firm or association, and (2) titled as an "IOLTA" or an "Interest on Lawyers' Trust Account", in accordance with Ohio Revised Code Section 4705.09. The IOTA shall be: (1) established in the name of the title insurance agent or company, and (2) titled as an "IOTA," or "Interest on Trust Account.", in accordance with Ohio Revised Code Section 3953.231. CNB requires an operating account in the name of the attorney, law firm, association, title insurance agent or company in order to charge any non-permissible service charges that the state program does not permit to be paid from the interest earned on the IOLTA/IOTA account, e.g. check printing charges, not-sufficient-funds charges, stop payment fees, teller and ATM fees, electronic fund transfer fees (i.e., wire transfer fees), brokerage and credit card charges, etc.
- 23 - The daily periodic rate is applied to the ledger balance from the day of deposit on the Ohio IOLTA/IOTA Interest Checking Accounts. The rate of interest payable on the IOLTA/IOTA must be equal to or greater than the rate paid by the institution to regular, non-attorney depositors, in accordance with Ohio Revised Code Sections 3953.231 and 4705.10. Interest earned on IOLTA/IOTA accounts will be paid to the Ohio Treasurer of State.
- 24 - The Ohio IOLTA/IOTA Interest Checking Account is available exclusively to Private Client customers who are licensed attorneys in Ohio, or to title companies licensed to operate in Ohio whose owner or principal is a Private Client customer. Please contact your Relationship Manager for details or referral options.
