VERSE 1

There is cloud
 Barely bigger than my hand
 And I don't need to understand
 How you'll make it rain again
 There is cloud
 beyond the shadow of my doubt
 And soon we'll see it pouring down
 Washing all the dryness out

CHORUS 1A

And once again we'll see the rivers grow
 And in the overflow we will be overcome
 And as you fill us with your living water
 Your sons and daughters will be free again

TURNAROUND

VERSE 2

There is cloud
 Of faithful ones who've walked before
 Urging us to carry on
 A race endured for our reward
 There is cloud
 The son of glory stands upon
 Calling all his children home
 He's coming and it won't be long
