

# Mint Health Plans App Instructions

**ISSUES? CALL 435-754-7860**

# 1

## Go to [MintHealthPlans.com](https://MintHealthPlans.com)

On your mobile device, go to [minthealthplans.com](https://minthealthplans.com). Safari and Chrome are recommended search browsers.

# 2

## Choose “login” from the menu

Once at [minthealthplans.com](https://minthealthplans.com), you will see a drop-down menu on the top right of your screen. Select “Login”, and this will take you to the Mint Health Plans Member Portal Login.

# 3

## Select the share button

If are on an Apple device, tap the share button at the bottom of your screen. If you are on an Android device, click the 3 dots on the top right of your screen and select “Add to Home screen”.

# 4

## Click “Add to home screen”

Once you select the share button, you will see a list of options. Scroll down and select the “add to home screen” option.

# 5

## Rename and download

Rename the app “Mint Health Plans” This is the name that will appear below the icon while viewing your apps. Tap the “Add” button once you are done changing the name. Now you can quickly access your member portal from your home screen.
