BROKERS COMMENTS

A BRAND-NEW AZIMUT GRANDE 26M AVAILABLE NOW WITH FULL WARRANTY, HIGH-VOLUME DESIGN, AND IMMEDIATE DELIVERY.

Delivered in 2025 and still under **full shipyard warranty**, SEA STAR is offered in **brand-new, unused condition**. She has never been operated and represents an immediate opportunity to acquire a fully spec'd example of the **Azimut Grande 26M** without the wait of a new build.

Though her overall length is just over 26 metres, SEA STAR is **classified under 24m** load line length. This allows for private use with fewer regulatory constraints while still benefitting from the volume and features expected on larger yachts. With a beam of 6.3 metres and a full-load displacement of over 84 tonnes, she offers exceptional interior space and comfort.

Her layout includes **five guest cabins** for up to ten guests, including a **full-beam master suite** on the main deck. The guest Cabins consist of **two identical VIP Cabins**, one double cabin, and one twin cabin. All cabins have full size en-suite bathrooms. Crew are accommodated in a separate crew area with a lounge, and two cabins .

The interior is finished in a neutral, modern palette by Achille Salvagni, designed to complement a variety of personal styles. Floor to ceiling windows on the main deck allow for stunning views from the Salon and Master Cabin. Vast deck spaces include an extensive flybridge/upper deck, as well as Azimut's Deck2DeckTM Aft Cockpit.

Performance and handling are enhanced by **fin stabilizers, upgraded MASE generators, and a dynamic positioning system**. Teak decking covers all exterior guest areas, and a retractable hardtop provides shade and shelter on the flybridge. The yacht is equipped with a **full Raymarine navigation suite, and exterior lighting upgrades**.
