Content on this website

The information available on this Internet site has been produced by TicTac Learn with the utmost accuracy. It is checked and updated continuously. Nevertheless, TicTac Learn cannot accept any responsibility for the constant availability of the content nor it being accurate, current, and complete. TicTac Learn also does not vouch for the appropriate nature of the content of this Internet offering for the user and his or her purposes.

All binding information, advice, recommendation, or declaration from TicTac Learn is reserved only for individual communication.

External links

Please note that some pages on our website contain links to websites managed by third parties. These websites have their own privacy policies and TicTac Learn is not responsible for their business or their information practices. Users who send information to or through these third-party websites should therefore review the privacy policies of those websites before sending any personal data to them.

Data protection

TicTac Learn takes data protection very seriously. TicTac Learn always observes the utmost caution when processing your personal data and your personal data is never passed on without the support of TicTac Learn's Privacy Policy. TicTac is committed to protecting your personal data and comply with all applicable laws and regulations that exist to protect the privacy of individuals. We would like to emphasize that we do not sell your personal data to a third party. For further information, please refer to TicTac Learn's Privacy Policy.
