

# Call for Volunteers: Plant Sale & EcoMarket

The **rare Charitable Research Reserve** is looking for enthusiastic volunteers to host **rare's** annual **Plant Sale & EcoMarket**. This fundraiser supports **rare's** Foodbank Garden Project at Springbank Farm which allows us to continue to grow fresh, organic produce for the Cambridge Foodbank. We sell thousands of vegetable and native plant seedlings grown right here at **rare's** Springbank Farm. The EcoMarket takes place outside the Slit Barn featuring over a dozen local artisans and organizations for attendees to shop.
