The AsIAM Same Chance Walk will begin at 11am. You can arrive from 10am to enjoy the space, acivities, or to register on the day.

AsIAM Staff will be on site to advise you on where to park. There may be a wait for parking as stewards navigate people into their parking spaces

It is important to note that sometimes mobile phone reception can be unreliable at this location.

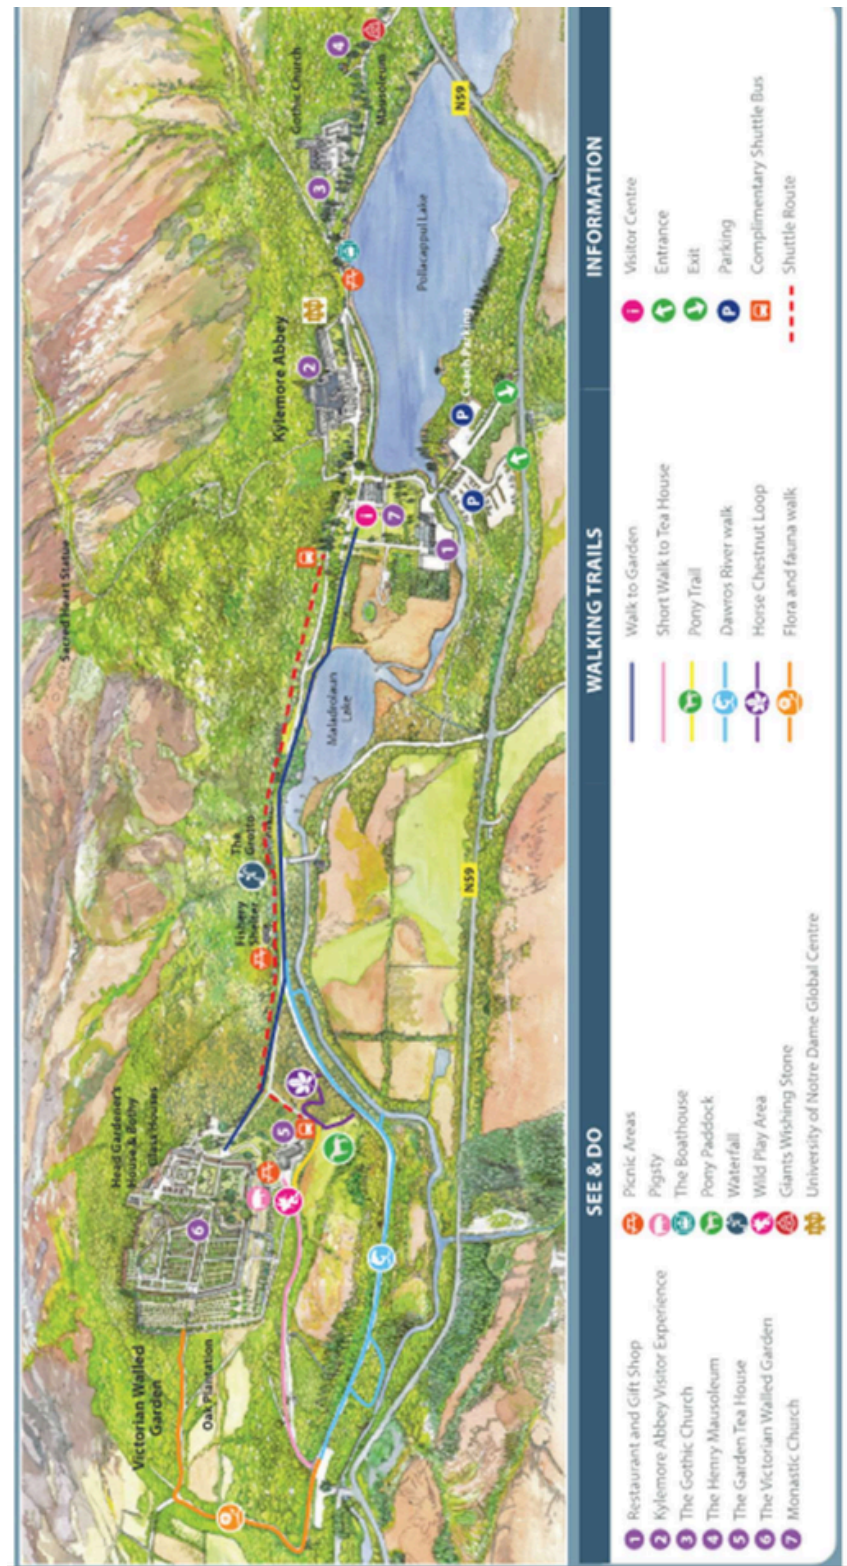

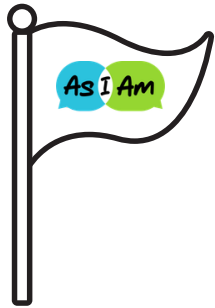

If you are registering on the day, you can go to the AsIam Registration tent

You can take your ticket for t-shirts over to the T-shirt collection table.

After the Welcome and Safety messages, the same chance walk will begin. AsI Am staff will be positioned along the route to advise on directions. There will also be signs to indicate where you are.

Note: Some areas have more uneven ground, and may be more difficult to push a buggy around.

If you would prefer not to do the walk, that is ok. You are welcome to relax and enjoy the activities, entertainment and arts and crafts that are in the walled garden.

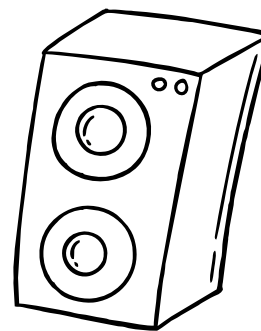

There will also be a sensory area and you are welcome to bring any fidgets or aids that you need for the day.

There will be an AsI Am Autism Information Stand where you can approach AsI Am staff and ask for autism-specific advice or guidance.

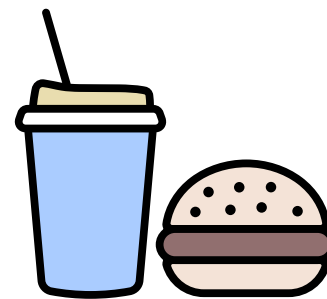

There will be donation buckets and QR codes to donate on your phone at the location on the day.

We will be playing music at a low volume through the day and there will be microphones used for the welcome address and safety announcements.

Children should be supervised by parents or guardians at all times.

There will be restaurants and cafes to buy food from on the day, but you are welcome to bring your own drinks and snacks if you prefer.

Some AsI Am staff will be taking pictures during the day. If you would prefer not to be photographed you can let an AsI Am Staff member know.

Dogs are most welcome, but they must be kept on a lead for their safety, and the safety of other dogs, fellow Walk participants, members of the public and on-site farm animals. Please ensure to bring adequate water, food and poop bags.

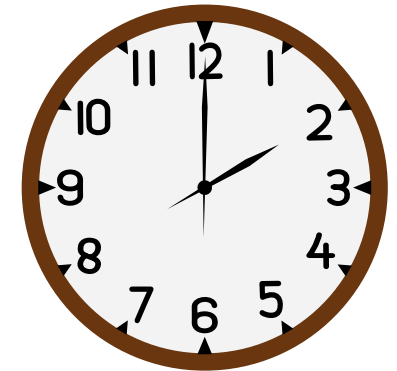

If you do go on the walk, there will be lots of things to see at Kylemore Abbey. We may also see some animals and hear some nature sounds. We will follow the route on the map until we are finished.

Once the walk is finished you can enjoy the fun, food and activities at the event area.

The AsIAM Same Chance Walk and family fun day will finish around 2pm and we can go home.

AsIAM Staff will be on site to assist in leaving the car park.
