JON HARRIS

Managing Partner, Fortune

Jon's mission is to empower dentists with the leadership aptitude, executive skillset, and entrepreneurial mindset to maximize the intrinsic value of their practices. He has supported hundreds of doctors and their teams in unlocking their true potential and is known for his high-powered, energetic, and enthusiastic approach. His passion for overcoming common challenges, building high-performance teams, and achieving synergistic results makes him an invaluable resource to any doctor seeking greater growth, profitability, and quality of life. Jon graduated from the University of Tennessee with a B.S. in Business Administration with concentrations in Entrepreneurship and Marketing, and a B.S. in Psychology. He's a member of the Alliance of Merger & Acquisition Advisors, the International Business Brokers Association, the National Association of Certified Valuators & Analysts and is a Certified Practitioner of DISC, Motivators, and Emotional Intelligence.
