19 June 2026

DeFi Development Corporation UK PLC

(the "Company")

Warrant Extension

DeFi Development Corporation UK PLC (LSE: DFDV and OTCQB: DFUKF) provides the following update on the warrants, full details of which are set out in the Company's announcement released on 28 August 2025 (which is available on the Company's website at <https://dfdv.co.uk/investor?tab=regulatory-filings>).

Background

On 28 August 2025, the Company announced a £2.8 million gross fundraise through a subscription for pre-paid warrants (the "**Pre-Paid Warrants**") by a group of strategic investors (the "**Investors**"). Subject to shareholder approval, the Investors were also to receive cash warrants over new Ordinary Shares (the "**Investor Warrants**" and, together with the Pre-Paid Warrants, the "**Warrants**").

The Warrants are not capable of exercise until certain conditions have been satisfied ("**Conditions**"), the original deadline for which was 31 November 2025. On 4 December 2025, the Company announced the cancellation of 5,000,000 Warrants and an agreement with the Investors to extend the period for satisfying the Conditions required before the Warrants can be exercised to 1 June 2026, which was further extended to 22 June 2026, as announced on 1 June 2026.

Warrants Extension

The Company is pleased to announce that it has agreed with the Investors to further extend the period within which the Conditions may be satisfied to 29 June 2026. If the Conditions have not been satisfied by 29 June 2026, the Warrants will expire and be cancelled, and the Company will have to repay the deposit for the Pre-Paid Warrants to the relevant investors (less pre-agreed contributions to transaction costs).

The Company is continuing its discussions with the Investors regarding its strategic objectives and future development.
