CLASSICS

Five questions for your senior leader line manager to ask you about classics

- 1.What are the aims of studying classics in a modern curriculum?
 - 2.How do you balance linguistic study with understanding of ancient culture?
 - 3.What is your rationale for the choice of texts and topics?
 - 4.How is Latin or classical civilisation progression mapped from Year 7 onwards?
 - 5.How do you make ancient ideas meaningful to students today?
-

Three documents for your senior leader line manager to read about classics
