GEOGRAPHY

Five questions for your senior leader line manager to ask you about geography

1. What's the aim of your geography education? What do you want your students to be?

How have you constructed your curriculum progression? Talk me through your model and thinking.

Where do you study, and why?

What fieldwork do you need to be able to do, and how can the school best support this?

What resources do you need to support the best understanding of place, and how can the school best support this?

Three documents for your senior leader line manager to read about geography

1. Ofsted Research Review Series: Geography.

2. Powerful Geography by Mark Enser (2021).

3. Handbook of Secondary Geography (Jones, 2017) and Leading Primary Geography (Willy, 2019).
