DESIGN & TECHNOLOGY

Five questions for your senior leader line manager to ask you about design & technology

- 1.What is design and technology? Why is it on the curriculum?
 - 2.What are the key concepts or big ideas in design and technology?
 - 3.What does a high-quality lesson look like in design and technology in key stage 3?
 - 4.Talk me through how design and technology learning is structured and sequenced over key stage 3.
 - 5.Can you show me examples of an expected year of learning evidence for Year 7?
-

Three documents for your senior leader line manager to read about design & technology
