Production

25% whole cluster fermented / 75% destemmed – all whole berry fermented
Fermented in small two-ton Taransaud oak fermenters, Nomblot Cement tanks, and stainless steel open top tanks
Native primary and malolactic fermentations
Barrel aged for 15 months in French oak barrels (30% new)
Bottled unfinned and unfiltered
Produced and bottled by Fisher Vineyards

Bottle Date

March 2021

Vintages Produced

2011 2012 2013 2014 2015 2016 2017 2018

Tasting Notes

Expressive aromatics with captivating notes of cherry cola, conifer, rose petal and chocolate fondue. On the palate, the 2019 UNITY shows seductive flavors of plush cherry compote with a smooth latte-like finish. Touched by 20% new French oak, this wine shows great texture and intertwines the tannin/acid balance masterfully. ~ *Whitney Fisher, Winegrower*
