Post 1 - Partnering With Bizcap

Slide: #8

Sample Asset:

Caption:

Exciting news!

We are thrilled to announce that [your brokerage name] is now working with Bizcap, [Australia's/New Zealand's] most open-minded lender.

Bizcap is shaking up the market, offering substantial short-term funding solutions tailored for small to medium businesses that typically face rejection elsewhere or need funds fast.

Our partnership means we're bringing innovative financial opportunities to you, right when you need them most.

If you need short-term, quick working capital then get in touch with [your brokerage name] today: [link to your website]

Post 2 - Get a Business Loan Today

Slides: #1 or #2

Sample Asset:

Caption:

Do you need funds fast?

We partner with @Bizcap, a lender that's committed to saying "yes" more often to ensure small businesses get quick access to the capital they need – even without a perfect credit score.

With lenders like Bizcap, getting a business loan is easy.

If you need fast, flexible business funding, get in touch with [\[your brokerage name\]](#) today: [\[link to your website\]](#)

Post 3 - Flexible Funding for your Business

Slides: #3 or #4

Sample Asset:

Caption:

More than 66% of small businesses in **Australia/New Zealand** say they have not found it easy to access external finance, according to a recent study by CPA Australia Asia-Pacific.

That's one of the reasons we partner with @Bizcap.

As the most open-minded lender in the market, Bizcap's dedicated team goes above and beyond to empower small businesses with the financial support they need, and tailor terms to each business' unique circumstances.

They are even willing to fund businesses with poor credit ratings, defaults, judgments and **[ATO/IRD]** debt.

For fast and flexible business funding, contact **[your brokerage name]** today: **[link to your website]**

Post 4 - Get a Fast Business Loan for Growth

Slides: #5 or #6

Sample Asset:

Caption:

Many small and medium-sized businesses feel like growth opportunities are out of their grasp.

With our partner @Bizcap, it's different. With a commitment to saying "yes" more often, Bizcap tailors lending solutions to each business' goals and financial position.

When Bizcap sees an opportunity for your business to grow, it steps in to help you make it happen.

If you are looking for fast and flexible business funding to grow your business, contact [your brokerage name] today: [link to your website]

Post 5 - Get a Fast Business Loan for Cash Flow

Slide: #7

Sample Asset:

Caption:

Cash flow can be a real challenge for small businesses, which is why we partner with @Bizcap.

As the most open-minded lender in the market, Bizcap can alleviate your cash flow constraints with fast access to funds.

Unlike other lenders, Bizcap is willing to fund businesses with poor credit ratings, defaults, judgments, and [ATO/IRD] debt.

Their dedicated team goes above and beyond to empower #SMEs with the financial support they need.

For fast and flexible business financing, contact [your brokerage name] today: [link to your website]
