

# European Vacation Pricing Guide

Created for Antor Travel clients, our Sample Pricing Guides serve as general guidelines for your dream vacations. These prices are a starting point to provide a helpful understanding of how different budgets align with various trip experiences. It does not replace a personalized quote.

When you're ready, we look forward to working with you to create the vacation of your dreams!

## Important Notes:

**Air Travel** – Is not included in our guides. For an estimate of flight prices, we recommend using [Google Flights](#). Keep in mind that flights around holidays are often more expensive. Booking air travel through your Antor Travel adviser anticipate similar rates from what is offered on Google Flights.

**Insurance** – Is not included in our guides. Travel insurance is not included, as standard policies typically cost between \$100 - \$300 for European vacations.

**Transfers** – Are not included in our sample pricing guides. Some trips benefit from prearranged transfers, while others do not need this. When creating your personalized quote, your Antor Advisor will help determine the best option for you and your itinerary. Per person transfers can range between \$50 - \$350 depending on distance, shared vs private, and the quantity of passengers.
