Making Regular Payments
You can load value regularly by automatically adding credit when your card reaches a minimum balance.

Payment Method
Please select whether you would like us to automatically top up your account if the amount falls below the minimum account balance.

Payment Method: CREDIT CARD
Automatic Top-up: ☒

Top-up Value
If you wish to nominate a higher minimum account balance or top-up to amount, please modify the settings below.

What is the minimum balance you would like? 25.00 (preset minimum \$25.00)
When you reach the minimum balance how much would you like automatically loaded? 30.00 (preset minimum \$25.00)
Note: If you do not enter any values, then your account will be set to the minimum amounts in brackets above.

Notification
☐ Send me an SMS alert when my balance falls below minimum account balance defined above.
☐ Send me an SMS alert for failed automatic top-ups.

Important: The SMS alerts are charged at \$0.18 per message. This will be deducted from your account.
