

A construction worker wearing a white hard hat, a high-visibility yellow-green jacket with reflective stripes, and dark pants is using a blue and black Bosch jackhammer on a concrete surface. The worker is standing on a concrete curb or edge. In the background, there is a construction site with various equipment, including a yellow excavator, a red container, and a green safety fence. A red and white striped traffic cone is visible to the right of the worker. The scene is set outdoors on a hillside.

Marketplace to rent construction equipment

A row of yellow and red excavators parked in a lot, with a large white text overlay.
