

nomad

Finding your home

Vision & Mission

VISION

To be the end-to-end marketplace for buying homes

MISSION

To help you find your perfect home, from beginning to end

How Big is
This Market?

\$20 trillion

Real estate value (USD)

What Can Be Improved?

Current market standards lead to disgruntled customers

No MLS

No centralized database for accurate pricing or listings information

No exclusivity

Leads to fake and duplicate listings

Conflict of interest

Agents often represent both buyers and sellers

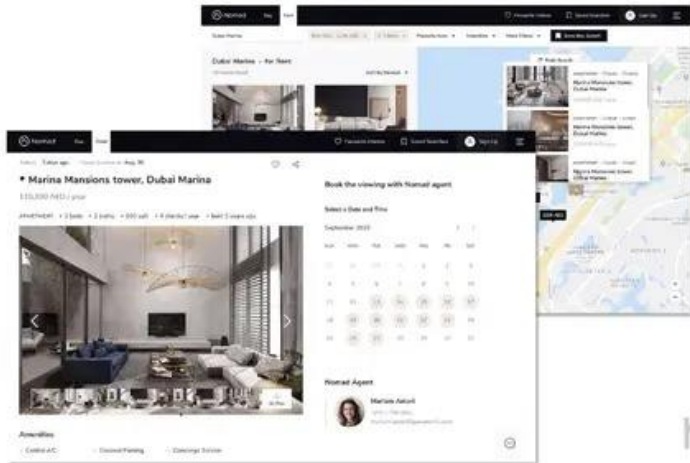

Lack of trust & transparency

Our Product

Using best-in-class design principles & technology to deliver a **customer-driven experience**

Our Team

We have assembled a group of investors, operators, and tech leaders to tackle this opportunity

Helen Chen
CEO, Co-Founder

Dan Piehler
CPO, Co-Founder

Damien Drap
COO, Co-Founder

Céleste Macfarlane
Marketing

HSBC

Paola Badia
Agent Operations

Tymour Fisher
General Manager

Where We Will Start: Dubai

Dubai is big, between the size of Los Angeles and San Francisco

Annual Residential Transaction Volume
(USD B)

Why We Succeed

Delivering the **best value proposition to buyers** under one roof

Time to enter is now

Buyers are looking for a better solution

Digitizing the process

Empowering the customer with technology

One-stop-shop

Concierge experience from start to finish

END-TO-END
