Digital Literacy Walk-In Hours

Need help with phone, tablet, computer, or other computer-related tasks?

Get free, one-on-one assistance from [Center for Better Aging](#)

What we offer:

- Moving photos and important documents to the 'cloud' or download from your cloud account to computer or flash drive
- Learn how to use your phone, tablet, or laptop
- Virus removal
- How to use emails and text messages effectively
- Home budget calculator
- Business invoice creation
- Buying a house? Use our Mortgage Calculator to get a mortgage estimate based on various interest rates, home costs, down payments, insurance, and property taxes
- Are you trying to decide the best age to start your social security benefits? Our Social Security Comparison tool will show you the effects of starting your benefits from age 62 - 70
- Assistance in creating websites, spreadsheets, databases
- More

When:

- **Wednesdays**, starting May 6th, 2026: 1pm – 3pm, on same dates as classes

Where:

- St Bernard Hospital ACC, 6307 S Stewart, 3rd floor

How:

- 35-minute time slots available
- Sign up by contacting Greg Vaughn
