Serving Together

The early church worked together to meet needs and share God's Word.

In Acts 6:1-7, the believers in the early church were growing. Many people came to follow Jesus, and the church was full. But a problem arose—the Greek-speaking widows were being overlooked when food was distributed.

The apostles asked the people to choose seven men who were full of the Spirit and wisdom. These men were given the task of helping with the food so the apostles could focus on prayer and teaching God's Word.

The church worked together, using different gifts, to do what God had called them to do!
