# Activities

Whether you want to pursue adrenaline-fueled activities or simply relax in footloose style, the way you spend your time onboard our private phinisi yacht is entirely up to you.

## Island Hopping

Ikan Kayu offers the perfect base for island hopping. Our experienced crew will take you to some of our favourite hidden beaches, where you can relax under the shade of a palm tree, go for a hike or explore local villages for a glimpse at traditional life in Indonesia.

## Snorkeling & Diving

Our yacht is kitted out with snorkeling & diving gear for underwater junkies. Dive in for a chance at spotting schools of colorful reef fish, turtles, rays and so much more in the coral triangle. Our crew will accompany you in the water at all times to ensure your safety.

## Water Sports

If getting active is what makes you tick, take the opportunity to try out some of the water sports available onboard Ikan Kayu. Our yacht features paddle boards, banana boat and beach ball or making the most of Indonesia's stunning azure coastline. We can also cater to surfitineraries on request.

## Family Activities

Our crew loves having children onboard, and we are always happy to arrange all sorts of fun activities suitable for the whole family onboard Ikan Kayu. Let us know what your family loves and we will help you plan your dream escape.

## Fine Dining

Let our chef design a delicious menu tailored to your tastes. Our two decks feature generous space to spread out onboard, and you can dine outside at our large outdoor dining table. Alternatively, enjoy a beach picnic or visit local beach bars (subject to your itinerary).
