

Purpose: This policy demonstrates our dedication to environmental stewardship and the improvement of environmental outcomes across all areas of our business.

Scope: This policy applies to all projects and operations undertaken by Lee Marley Brickwork Ltd.

Policy Commitments:

1. Minimizing Environmental Impact:
 - Identify significant environmental impacts and develop management actions to mitigate these impacts during operations.
2. Compliance with Regulations:
 - Ensure adherence to all relevant environmental legislation and regulatory requirements, utilizing resources like Barbour EHS to stay informed.
3. Pollution Prevention:
 - Commit to preventing pollution, reducing resource use, and managing waste efficiently. Prioritize reuse, recycling, and safe disposal methods.
4. Sustainable Development:
 - Incorporate sustainable development principles into procurement and all other business operations, favoring local and sustainable material sources.
5. Educational Initiatives:
 - Promote environmental responsibility among staff through internal education, and extend this awareness to suppliers and contractors.
6. Continuous Improvement:
 - Continuously enhance our environmental management practices and overall environmental performance.

Environmental Policy

Doc. Ref	BMSP.03
Revision:	11
Date:	22/12/25
Approved:	Jun Yue

Company Targets:

1. ISO 14001-2015 Accreditation:
 - Maintain accreditation to demonstrate compliance and commitment to environmental standards.
2. Operational Efficiency:
 - Resolve 85% of environmental observations within the required timeframe.
3. Environmental Campaigns:
 - Implement quarterly environmental campaigns to promote sustainability initiatives among staff and stakeholders.
4. Business fleet management :
 - Transition all new vehicles to fully electric or hybrid models to reduce carbon emissions.

Review and Monitoring: Anually review this policy to incorporate new regulations, findings, and technologies. Monitor and report on the effectiveness of targets through scorcard.

Conclusion: At Lee Marley Brickwork Ltd, we are committed to operating in an environmentally responsible manner, ensuring that our activities promote sustainability and reduce our ecological footprint.
