

2026-27 DOGR School/Parish Employee Discount Form

We appreciate all the great work you do with the students under your care. Thank you! In demonstration of our commitment to support Catholic schools, West Catholic is offering the following discounts for the upcoming school year:

- Full-time staff at your school/parish are eligible to receive a 25% discount on tuition for their children who attend our school.
- Part-time staff (20 hours or more) at your school/parish are eligible to receive a 12.5% discount on tuition for their children who attend our school.

Staff must complete **one year** of employment at your school/parish to qualify for this discount. Employees and their spouses are eligible for only **one category** of employee tuition discount, including partner school discounts. If other discounts are earned, the greater discount will be applied to the tuition invoice. If a financial aid application indicates additional need, employee tuition discounts are applied first with grants and scholarships covering the remaining eligible financial aid. A financial aid application is not required to receive this discount.

If you have a student who will attend Catholic Central High School for the 2026-27 school year, please complete the Employee portion of this form and submit it to your Principal/Pastor.
