Education Without Borders

Today’s students have more opportunities than ever before.

For decades, accessing a high-quality U.S. education often meant relocating abroad. Today, students can achieve the same academic goals through flexible online learning—without leaving home.

Powered by modern technology, AI-enhanced learning tools, and dedicated teacher support, online education has evolved into an engaging and interactive experience that combines academic rigor with personalized learning.

Students can access authentic U.S. high school courses, university-level learning opportunities, and recognized academic credentials from anywhere in the world—all while enjoying greater flexibility and a more affordable pathway to future success.

Why Choose Amerigo Global Start?

At Amerigo Global Start (AGS), learning online is only the beginning. Our mission is not simply to help students complete high school—it is to help them achieve beyond high school through authentic U.S. education, university dual-credit opportunities, and flexible pathways designed for future success.

- 01

Century-Old American Excellence
Powered by Providence Country Day School, an accredited U.S. independent school with 100+ years of academic excellence.
- 02

University Credits Before Graduation
Earn university-level credits through UMass Global dual-credit program while completing high school.
- 03

Flexible Learning at Your Own Pace
Choose from individual courses, diploma programs, and university pathways designed around each student's goals.

- 04

Stronger University Preparation & English Proficiency
Enhance academic readiness, critical thinking, and English communication skills through rigorous U.S. coursework, AP® classes, and college-level learning experiences.
- 05

Recognized U.S. Credentials
Earn official U.S. transcripts and diploma credentials from an accredited American high school.
- 06

Greater Educational Value
Access a high-quality U.S. high school education from home and potentially save families over \$240,000 compared with traditional overseas school education.

07

Personalized Academic Support
More than just online learning, AGS combines dedicated teacher support, academic progress monitoring, parent engagement, and personalized course planning to help students achieve their goals with confidence.

Strengthen Your University Application with AGS

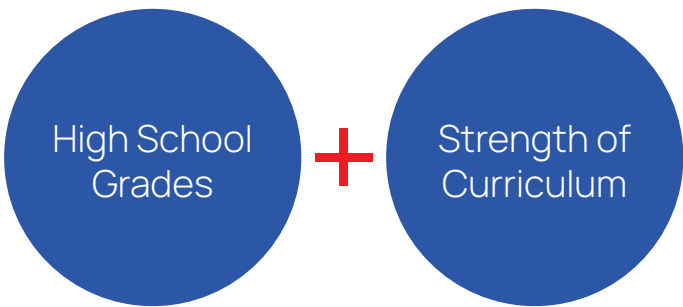

The AGS Advantage

Stronger GPA. Greater Academic Rigor. Stronger University Applications.

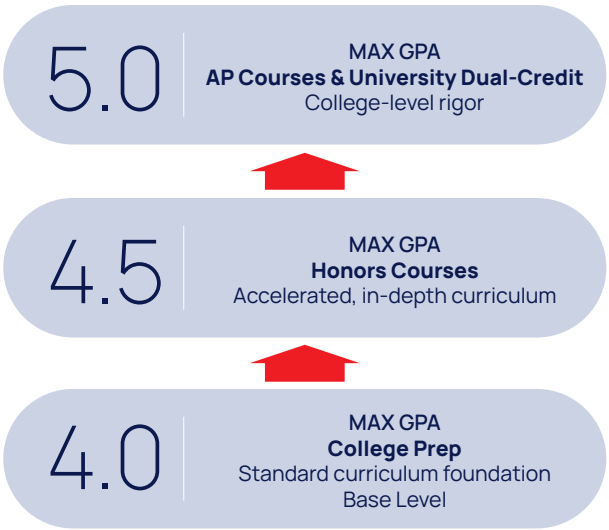

Challenges Students Commonly Face	How AGS Helps
✗ Limited AP and advanced course options at school	✓ Access 20+ AP® Courses and 15 University Dual-Credit Courses
✗ AP grading curves at individual schools can make top scores and high GPAs more difficult to achieve	✓ Earn grades based on your individual performance and course mastery
✗ Scheduling conflicts and course restrictions limit opportunities	✓ Enjoy flexible online learning and take additional courses that fit your goals

What Universities Value Most

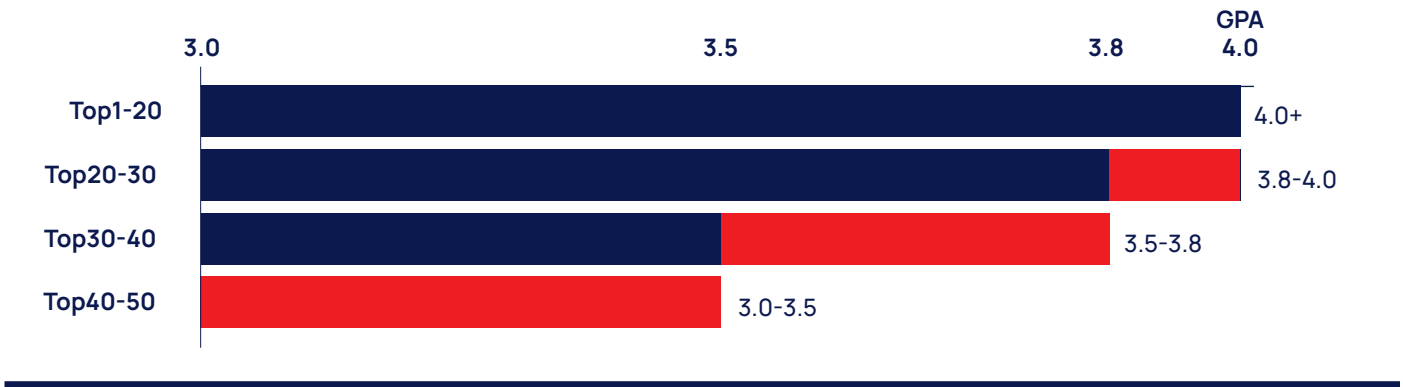

According to the National Association for College Admission Counseling (NACAC)'s survey of college admissions officers, the two most important academic factors in university admissions are:

Why Advanced Coursework Matters

About Providence Country Day School

A Century of Academic Excellence in the United States
Founded in 1923, Providence Country Day School (PCD) is a highly respected American independent school dedicated to college preparatory education.

With more than 100 years of academic excellence, PCD provides students with a rigorous curriculum designed to prepare them for success in top universities worldwide, with graduates consistently earning admission to Ivy League and other highly selective universities.

In 2021, the school expanded its commitment to academic excellence by launching the Providence Country Day School Global Campus, offering K-12 students worldwide access to a high-quality, college-preparatory online education.

Students in PCD Global Campus benefit from

- ✓ A fully accredited U.S. high school academic system
- ✓ 200+ structured college-preparatory curriculum including 40+ AP® and Honors Courses
- ✓ Experienced U.S. educators and academic advisors
- ✓ University dual-credit courses offered in partnership with UMass Global
- ✓ Official high school transcript and diploma credentials as on-campus students

UMass Global Dual Credit Course Opportunities

Earn University Credit While in High School

Through the partnership with the University of Massachusetts Global (UMass Global), qualified students have the opportunity to take authentic university-level courses online. By experiencing college-level academic rigor, earning transferable credits, and demonstrating advanced academic readiness before graduation, students can enhance their competitiveness for university admissions.

Student Benefits

Earn More Credits in Less Time: Gain 3 College Credits + 1 High School Credit from A Single Course

Enhance GPA with 5.0 Weighted Courses

Experience Authentic College-Level Academics

Showcase Academic Strength on University Applications

Accelerate Degree Progress and Reduce Future College Costs

No Additional Standardized Exams Required Compared with AP, IB, and A-Level Programs

About UMass & UMass Global

University of Massachusetts System

A World-Class Public University System with a Global Reputation

The University of Massachusetts (UMass) is one of the United States' leading public university systems, recognized for academic excellence, world-class research, and global impact.

Founded in 1863, the UMass system comprises five campuses across Massachusetts and serves more than 73,000 students from around the world. With a network of over 630,000 alumni and more than \$800 million in annual research activity, UMass is a driving force in education, innovation, healthcare, and economic development.

Its flagship campus, UMass Amherst, is consistently ranked among the Top 30 Public Universities in the United States, reflecting the system's longstanding tradition of academic achievement and leadership in higher education.

Expanding Access to High-Quality U.S. Education Worldwide

As a member of the University of Massachusetts system, University of Massachusetts Global (UMass Global) continues the tradition of academic excellence by expanding access to high-quality U.S. higher education through flexible, fully online learning. For over 65 years, UMass Global has empowered learners worldwide by delivering accessible, innovative online education opportunities that allow students to achieve their academic goals from anywhere in the world.

- ✓ Accredited by the WASC Senior College and University Commission (WSCUC)
- ✓ Recognized by U.S. News & World Report among the Best Online Programs for 13 consecutive years (2013–2025)
- ✓ Credit can be applied toward an undergraduate degree and broadly recognized at U.S. and Canadian colleges and universities.

University Commission

Jeffery J. Keith

Member, UMass Global Board of Regents
Board Member, Amerigo Education

“Students and families increasingly seek educational options that reduce cost and geographic barriers without compromising academic quality, and Amerigo Global Start meets that need. This is a forward-thinking solution that expands access to higher education while maintaining a strong commitment to academic excellence and student outcomes.”

Track 1: Course-by-Course Learning

Flexible Learning for Academic Growth

The Course-by-Course pathway allows students to take individual U.S. high school courses or university dual-credit courses without enrolling in a full diploma track.

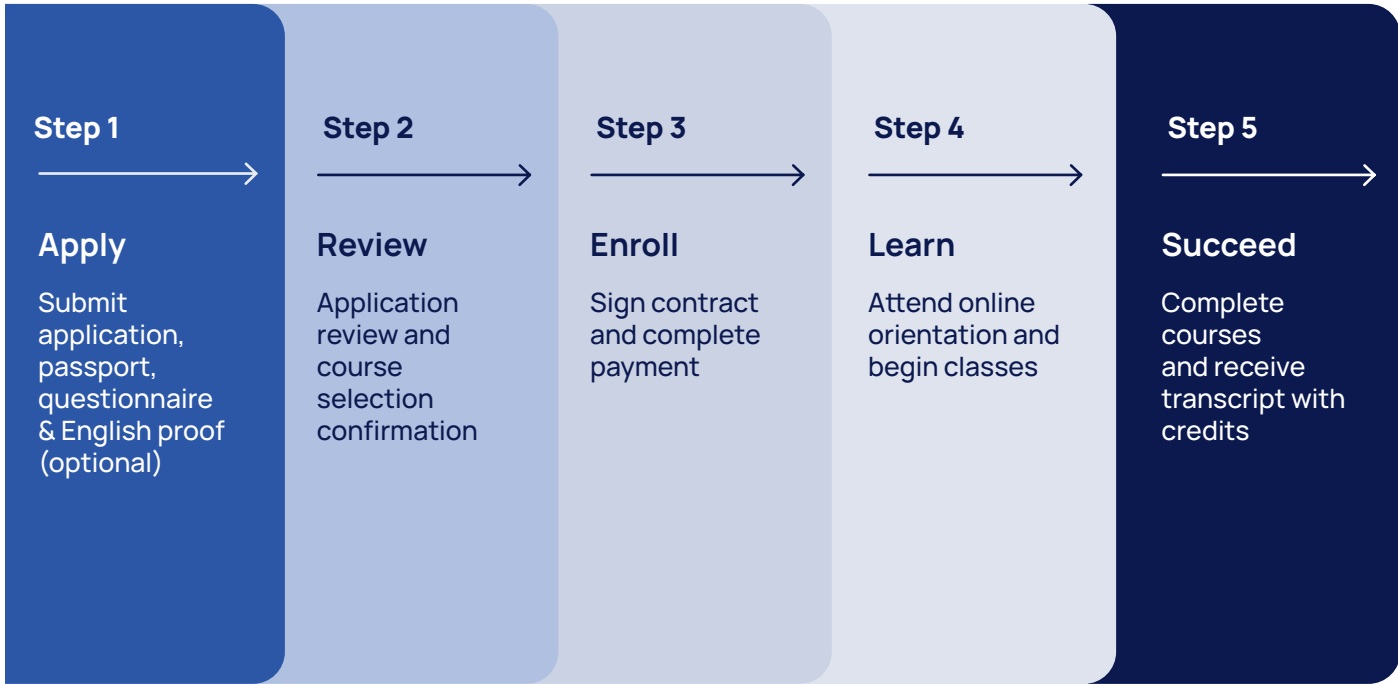

Ideal for students who want to:

- ✓ Experience U.S. classroom learning through English-taught courses and an American curriculum
- ✓ Boost academic performance and GPA
- ✓ Fulfill prerequisites for AP® or advanced courses
- ✓ Recover missing credits
- ✓ Strengthen university applications through more AP® and dual-credit coursework
- ✓ Explore new academic subjects or passions, such as music, computer science, and more

Outcomes:

- ✓ Improve academic English skills
- ✓ Earn U.S high school credits from an accredited American school
- ✓ Access AP® and university dual-credit opportunities
- ✓ Strengthen academic performance and university applications
- ✓ Enjoy flexible learning that fits your schedule

How to Enroll

Track 2: High School Diploma Program

Earn a U.S. High School Diploma from a Century-Old American School

The AGS Diploma Program provides students with the opportunity to earn an accredited U.S. high school diploma from Providence Country Day School (PCD), a prestigious independent school with more than 100 years of educational excellence.

Students benefit from:

- ✓ Official high school transcript and diploma credentials as PCD on-campus students
- ✓ A college-preparatory curriculum designed for university success
- ✓ 4 complimentary one-on-one college counseling sessions
- ✓ Guaranteed admission to one of our 40+ participating universities worldwide with preferred admission*
- ✓ U.S. teacher recommendation letters
- ✓ Approximately \$50,000 in annual savings compared with a traditional on-campus U.S. high school experience

*Students must meet applicable GPA and English language proficiency requirements.

Diploma Pathway Options

Dual Diploma Program

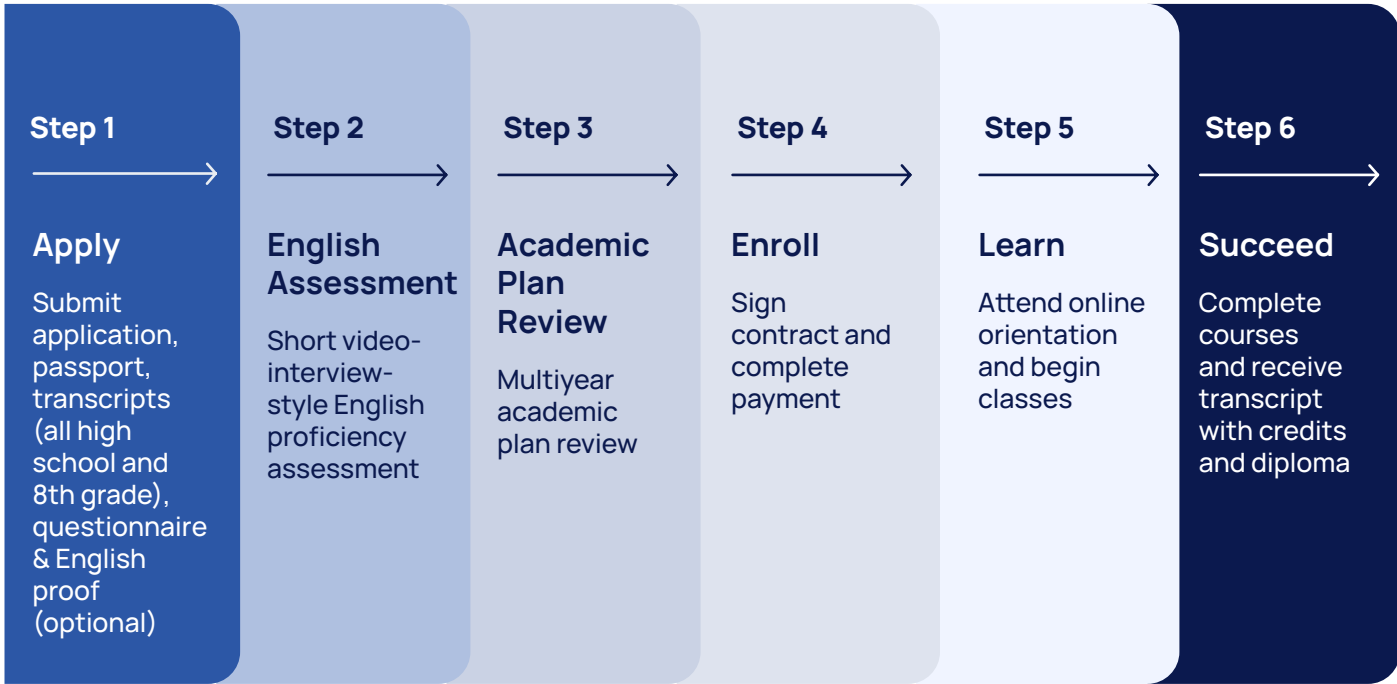

Maintain enrollment in a local high school while earning a U.S. high school diploma through PCD.

Full-Time Diploma Program

Designed for students who are no longer enrolled in a local high school and are preparing full-time for overseas university admission.

How to Enroll

U.S. Dual Diploma Program

A Second Layer of Academic Security for Greater Future Flexibility

Through our U.S. Dual Diploma Program, students complete coursework at their local high school while simultaneously earning a minimum of 5 credits in specific subject areas with Providence Country Day School Global Campus, qualifying them for dual high school diplomas upon graduation.

Upon completion, students earn:

- ✓ Local High School Diploma
- ✓ Providence Country Day School Diploma
- ✓ Official U.S. High School Transcript

Ideal For Students Who Want To:

- Add a recognized U.S. diploma to their academic profile
- Experience an American college-preparatory curriculum
- Strengthen global university applications
- Explore broader academic pathways and course options

Program Highlights

- Flexible online learning alongside local studies
- Authentic U.S. high school curriculum
- Official U.S. high school transcript and diploma
- AP® and university dual-credit opportunities
- Preparation for both local and International university admissions

Dual Diploma Pathway

* The transfer of credits from a student's local high school and any additional credits required to earn the U.S. high school diploma will be determined based on the final transcript evaluation.

Full-Time Diploma Program

Earn Your U.S. High School Diploma Online at Your Own Pace and Save Approximately \$240,000 Compared with a Traditional On-Campus Experience

Designed for students seeking a fully online U.S. high school experience, including student-athletes, aspiring artists, homeschoolers, and learners who need greater flexibility, the Full-Time Diploma Program offers a structured curriculum leading to a Providence Country Day School diploma. To complete the program, students must earn 20 credits of coursework, at least 5 of which must be completed through Providence Country Day School Global Campus.

Upon completion, students earn:

- ✓ Providence Country Day School Diploma
- ✓ Official U.S. Transcript

Ideal For Students Who:

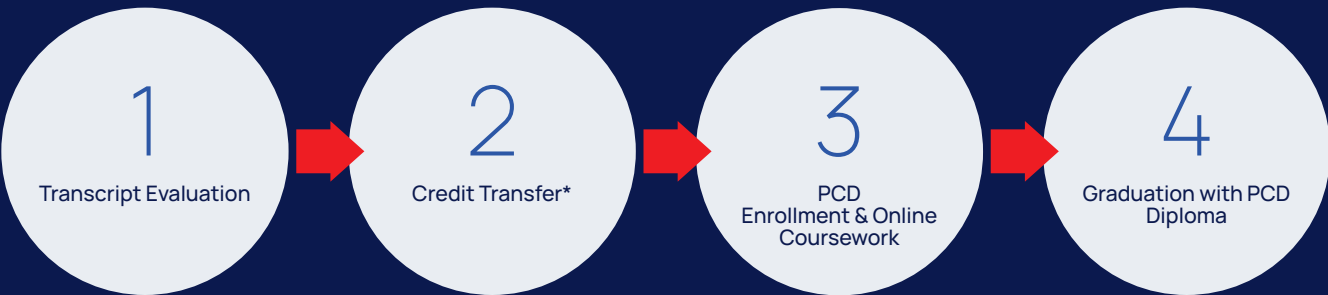

- Prefer a fully online high school experience
- Are student-athletes or performing arts students needing schedule flexibility
- Are homeschooling and seeking an accredited U.S. high school diploma
- Are seeking an affordable U.S. diploma pathway from their home country

Program Highlights

- Authentic U.S. high school curriculum
- Official U.S. high school transcript and diploma
- Personalized academic planning
- AP® and university dual-credit opportunities
- Preparation for university applications worldwide
- Potential to accelerate your high school journey with a flexible learning pace

Full-time Diploma Pathway

* The transfer of credits from a student's local high school and any additional credits required to earn the U.S. high school diploma will be determined based on the final transcript evaluation.

Track 3: University Dual- Credit Program

Start University Before High School Graduation

The University Dual-Credit Program is designed for ambitious students who want to accelerate their academic journey by earning university credits while completing high school.

Through dual-credit courses offered in partnership with University of Massachusetts Global, students can complete up to **30–45 transferable university credits** before high school graduation – gaining an early start toward their undergraduate degree.

Upon Completion, Students Earn:

- ✓ A U.S. High School Diploma
- ✓ Up to 30–45 Transferable University Credits
- ✓ Official Academic Transcript Showing University-Level Coursework
- ✓ A Stronger Academic Profile for University Admission

Ideal For Students Who:

- Want to get a head start on university studies
- Aim to reduce future university tuition costs and study time
- Want to demonstrate college readiness through real university coursework
- Seek a more competitive profile for university applications

Program Highlights

- Earn university credits while completing high school
- Access real university-level dual-credit coursework
- Build a stronger academic profile for university admission
- Save time and reduce the cost of undergraduate study
- A step ahead toward the UMass system

University Dual-Credit Pathway

1
PCD Enrollment & Online Dual-credit Courses

2
Graduation with PCD Diploma & Transcript with University Credits

3
University Application Advantage

4
Potential Credit Transfer*

5
Accelerated University Completion

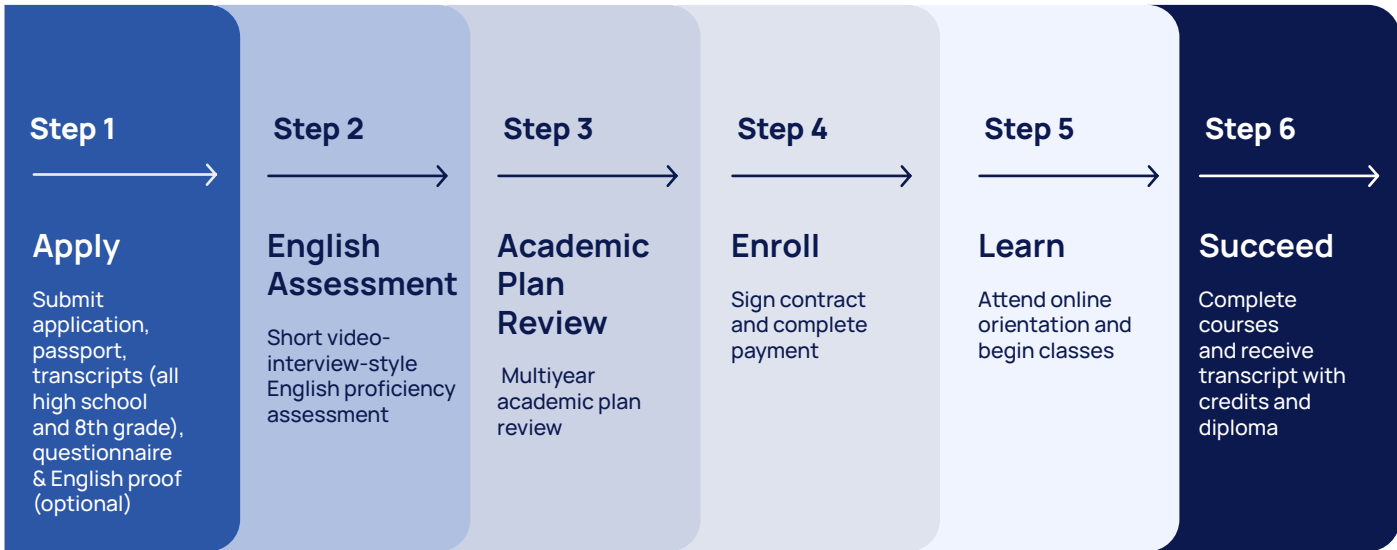

* Credit transfer decisions are made by the receiving university after admission and are evaluated on a case-by-case basis.

The Value of Getting Ahead Through Dual-Credit Pathway

Through university dual-credit courses, students can make meaningful progress toward a future bachelor's degree while still in high school, potentially accelerating degree completion and reducing the overall cost of higher education.

How to Enroll

Enrollment Requirements

Eligible Grade Levels:

- Diploma Program: Grades 9–PG
- Dual-Credit Program: Grades 10–PG

English Proficiency:

- U.S. High School Course: English proficiency at the CEFR B1 (Intermediate) level or above.
- College Credit Course: English proficiency at a high CEFR B1 level or IELTS 5.0 or above

Course pre-requisites (if applicable)

*Grade 8 students may be eligible to enroll in courses; however, course selection is subject to certain restrictions and will be reviewed on a case-by-case basis.

A Smarter Path to a U.S. Diploma

	Study Abroad at U.S. High School	Local High School + University Abroad	Amerigo Global Start
Entry Flexibility	Fixed semester start; requires visa & relocation	Tied to local academic calendar	Rolling admission; start anytime from home
Course Variety	Course variety varies by school	Limited to local/national curriculum	200+ courses, including 40+ AP® & Honors and 15 dual-credit offerings
Admission Competitiveness	Strong U.S. transcript & recommendations	Standard international applicant profile	Authentic U.S. Transcript & Diploma + University Credits
University Credits	Limited to select premium high school partners	None before university	Up to 45 transferable university credits earned
English Immersion	Full English immersion on campus	Limited English academic exposure	100% U.S. curriculum taught in English by American teachers
Cultural Adaptation	Direct immersion in U.S. school culture	No U.S. academic culture preparation	Adapt to U.S. academic culture and build global perspectives through a global student community
Cost of Living	High (host family / boarding) ~\$40,000/year	Low (live at home)	Low (study from home)
Tuition	\$40,000–\$70,000 / year	Local school fees + future full university tuition	Affordable, with potential university tuition savings through dual-credit courses

Student Case

Minh, Vietnam
Studies Economics at Columbia University.
He believes the AP® courses helped him to win Columbia admission.

“An AP® course, especially one that demands reading, writing, and analysis, proves that you can handle academic life at an English-speaking university. That matters a lot for international students.”

Oğulcan, Turkey
Studies Engineering at University of Michigan.
A top graduate of the U.S. Dual Diploma program. Also accepted to: Purdue University, University of Toronto, University of British Columbia.

“While my diploma stands as a testament to my efforts, the real gains are the lessons I’ve learned and the skills I built, which are far more valuable.”

Quynh, Vietnam
Studies at University of Illinois, Chicago with scholarship.
A top graduate of the U.S. Dual Diploma program. Accepted by 5 universities

“The U.S. Dual Diploma is more than an additional credential—it’s an opportunity to develop the academic skills, confidence, and global mindset needed for future success.”

A Global Student Community

Academic excellence alone does not define success. When a high school diploma student enrolls, they are invited to join our student community, making friends and practicing their English with students from all over the world.

Students can:

Make friendships with students around the world

Participate in discussions and clubs

Attend events, including debates and guest speakers

Develop leadership skills

Sample Activities

Extracurricular Student Clubs
Students explore their interests and meet new friends in online, student-led clubs, such as Best Buddies, Digital Media Explorers, and Language Club.

Live Meetings Online Webinars
Students in the community are invited to live webinars with guest speakers on interesting topics such as student life in universities abroad, recorded for those who can’t attend live.

Fun Interactions Online Chats
Daily chats on fun topics such as food, fashion, and current events let students share their culture and practice their English while making new friends.
