SABUROMARU VI THE LOVERS CASK STRENGTH

◆Product Description

Two souls drawn together, resonating in harmony. For those who love peat.

In 2025, Saburomaru Distillery took a bold step toward a new direction in whisky making. The Lovers is a blend of two distinct malt whisky personalities: Highland peated malt distilled in 2020 and Islay peated malt distilled in 2021. Each whisky resonates with the other, intertwining to create a one-of-a-kind story. Crafted by Saburomaru Distillery, renowned for “The Ultimate Peat”—this is a whisky dedicated to peat lovers. This small batch, cask strength version is a rare whisky with only 1,880 bottles produced.
