SAB Series Ocean Blue

“From Toyama to the World”

Brand-new blended whisky from Saburomaru, evoking the beautiful scenery of Toyama.

“OCEAN BLUE” is the top-quality of blended whisky from Saburomaru, where the bold character of Saburomaru malt is harmoniously balanced with deeply matured grain whisky.

The grain whisky component features long-aged whisky, further refined through additional aging at our own distillery. Both the malt and grain whiskies are matured in a variety of casks — including bourbon, sherry, wine and roasted casks — each contributing their own unique story.

Enjoy the rich, full-bodied depth of this exceptional blend.

◆ Tasting Note

A smoky and fruity blend, embodying Saburomaru smokiness at its finest.

Nose: Powerful peat and ash, with notes of candied apple, dried fish in mirin, light honey, smoked wood, a hint of sansho pepper, and wax from a snuffed candle.

Taste: Smooth and rounded, featuring ash, firm acidity, bold peat, honeyed apple, pronounced oak, and seaweed. The finish is elegant, with lingering warm peat and wood.
