

## DESCRIPTION

Wireless headphones with premium fabric finish are a stylish and comfortable option to enjoy your favourite music without annoying cables. These headphones offer a high-quality listening experience with stereo technology, allowing you to appreciate every detail as well as surround sound. The leatherette upper padding and soft fabric pads ensure a comfortable and comfortable fit for long periods of use. Whether you're listening to music, watching movies, or talking on the phone, you can enjoy exceptional comfort without sacrificing sound quality. The built-in control panel on the headphones allows you to adjust the volume, change the track and answer calls with ease. In addition, they have a hands-free function, which means you can answer your calls without having to take out your phone. The rechargeable battery of these headphones offers extended life, allowing you to enjoy your music for hours without interruption. In addition, a Type-C cable is included to recharge the headphones quickly and conveniently. Presented in a stylish design case, these wireless headphones are the perfect gift for any music lover. Whether you wear them at home, at work, or on the go, you'll enjoy an exceptional listening experience in style and comfort.
