

Welcome to Columbian Country Club, a high-end establishment nestled in the heart of Dallas, Texas. Our story is steeped in history, rooted in tradition, and inspired by a bygone era.

In the late 19th century, Dallas boasted The Columbian Country Club, a prestigious haven for the city's Jewish community. Founded in 1881, it stood as a symbol of camaraderie and exclusivity in a time when country clubs bore the weight of membership restrictions. It was a place where people gathered, where friendships were forged, and where unforgettable memories were created.

Today, we stand on the shoulders of this iconic institution, seeking to honor its legacy in a truly unique way. At Columbian Country Club, we pay homage to that special place and time, inviting you to step into a world of sophistication, nostalgia, and elegance.
