Kellie, Jaydah & Lilly visit on a friday morning to teach us some funky dance moves.

We have visits from both Baisie and Espire to work on a variety of skills that help children prepare for school. Such as gross motor, fine motor, speech & language development.

Friendly Reminders

As the weather starts to cool off, please ensure you are packing your children a jumper. We kindly ask that you ensure all of your child's belongings are labelled.

if you are bringing in older children to the service, please ensure they are not opening doors without supervision. We have had lots of siblings attempting to leave the preschool without parents and on occasions have let other children out of the foyer. This is a very big safety concern for all.

Please do not include Chocolate, Lollies or nuts into children's lunchboxes.
