

Candidates for this Award will be judged on how the technology is harnessed to address climate change, support sustainability, and promote environmental leadership either within their own organisation or organisations using your technology.

Please note your document should be no more than 10 pages (5 double sided sheets) and a maximum of **2500** words.

Please Include the following information:

Summary	Provide a concise overview of why your organisation deserves this award, highlighting the IT objectives and outcomes
Organisation Background	In no more than 250 words describe your organisation include the size (employee number), nature of your organisation etc.
Innovation and Technology	Detail the innovative aspects of the IT solution, including any novel or creative use of technology in tackling climate-related issues
Operational Excellence	Demonstrate how the IT solution has improved operational processes, efficiency, and overall performance within your organisation or organisations using your technology. Clear documentation or data supporting the effectiveness of the technology
Impact and Leadership	Provide evidence of the tangible benefits achieved through the IT implementation, such as cost savings, productivity gains, or enhanced service delivery. Highlight any leadership roles your organization has taken in promoting IT adoption within the industry.
Sustainability	Long-term viability of the solution, including maintenance, cost-effectiveness, and environmental sustainability

### Essential Tips for A Successful Entry

A successful application **must** address all the points above. Marks will be allocated only on the evidence you provide.

Don't underestimate the power of presentation! You can use bullet points, charts, photographs, and client feedback in your submission.

The more impressive your application appears and the stronger your evidence, the more it will support your case with the judges.

Make sure to include information on your exceptional successes during the year such as business systems, innovations or techniques that have reaped significant benefits.

**Remember** your document should be no more than 10 pages (5 double sided sheets) and a maximum of 2500 words.

**DO NOT** include company marketing brochures in your entry.
