

# ICCLA Manufacturer of the Year

This award recognises manufacturers demonstrating leadership in sustainable production, resource efficiency and measurable environmental performance.

**Please note your entry should be a maximum of 2,500 words.**

Summary (250 words max)	<b>In no more than 250 words, explain why your organisation deserves to win this award.</b>
Sustainable Production Practices	<b>Describe how sustainability is embedded within your production processes. This should include resource efficiency, waste reduction and environmentally responsible manufacturing methods.</b>
Materials and Technology	<b>Provide evidence of the use of sustainable materials, technologies or innovations that improve environmental performance within production.</b>
Energy Efficiency and Emissions Reduction	<b>Show how your organisation improves energy efficiency and reduces emissions. This may include the use of renewable energy or changes to reduce reliance on carbon-intensive processes.</b>
Circular Economy Practices	<b>Demonstrate how your organisation applies circular principles such as reuse, recycling, waste minimisation and lifecycle thinking.</b>
Measurable Impact and Outcomes	<b>Provide clear evidence of results, including reductions in emissions, waste, energy use or other measurable environmental improvements. Focus on demonstrated progress over time.</b>

## Scoring (100 Points Total)

- Sustainable Production Practices: 25
- Materials and Technology: 15
- Energy Efficiency and Emissions Reduction: 20
- Circular Economy Practices: 15
- Measurable Impact and Outcomes: 25

## Tips for a Successful Entry

- Answer each section clearly using the headings provided. Marks will be based on the evidence you include.
- Focus on what you did and the results it delivered.
- Include data where possible and avoid general statements.
- Only the first 2,500 words of your entry will be assessed.
- Use headings, short paragraphs and simple structure to make your application easy to follow.
- There is a 10MB limit per file for supporting documents.
- Contact the awards team if needed.
