Holden's

MISSION

To be our customers' favorite supplier by delivering high-quality novelty items at great prices, with fast fulfillment, and by treating every customer the way we'd want to be treated ourselves.

Holden offers a wide range of personalized gifts and souvenirs that appeal to both children and adults, male and female, ages 3 to 103. Products featuring a customer's name or destination imprint consistently outsell generic versions by as much as 10 to 1 — a value our retail partners already experience firsthand. We offer 24 unique personalized programs designed to drive sales and delight shoppers.

A quote from a grandmother, "If I see an item with my grandchildren's name on it, I have to buy it; otherwise I question my love for them."
