

Located just minutes from the San Diego coastline, Mater Dei Catholic offers students a transformative study abroad experience.

With specialized programs like the Academy of Science—where students conduct university-level research and internships—Mater Dei challenges students to excel and prepares them for future success. The 48-acre campus includes advanced science labs, campus-wide Wi-Fi with an Apple Genius Bar-style IT help desk, and athletic facilities such as a swimming pool, outdoor stadium, and full-sized gymnasium. A supportive environment with free after-school tutoring and SAT/ACT prep ensures achievement remains a priority, and graduates go on to become doctors, scientists, athletes, artists, politicians, and changemakers—setting international students on the same lifelong path to success.

Get 24/7 support from unique on-campus International Department

MDCHS's International Department works hand-in-hand with school faculty to provide daily, comprehensive support—from academics and safety to social-emotional care and logistics. This exclusive model is uniquely designed to optimize the international student experience and outcomes, ensuring success from enrollment through graduation.

Mater Dei Catholic High School

A Premier University Prep School
Near the San Diego Coastline

Elite Academy of Science Program

The Academy of Science is a unique, three-year program for advanced students with a passion for Science, Technology, Engineering, Art and Math. Students conduct university-level research, take advanced courses, participate in internships and receive mentorship from medical researchers and scientists receiving their doctoral degrees.

Robust Technology Program

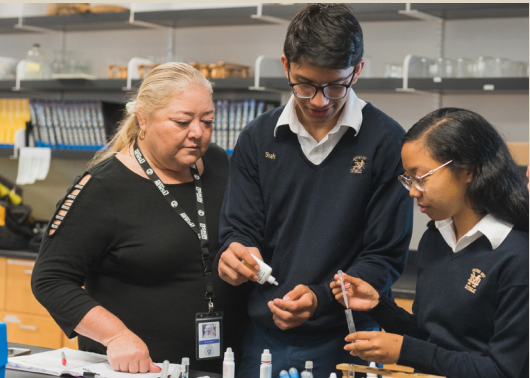

Mater Dei offers students a wide range of technology program, including an IT help desk modeled after the Apple Genius Bar, campus-wide WiFi and advanced computer science courses. The school is also a Microsoft Showcase School.

After-School Tutoring Included with Tuition

Students have access to free after-school tutoring in a wide range of subjects, as well as SAT and ACT tutoring courses. Students begin prepping for the SAT and ACT exams in 9th grade.

Senior Capstone Project

All seniors complete a Senior Capstone Project that allows students to dive in-depth into their field of interest. Students work closely with a professional mentor to complete the project.
