

Fairmont Private Schools is the largest secular, co-ed private school in Orange County, California. Founded more than 7 decades ago, Fairmont believes in educating the whole child and has been voted the Best Private High School in Orange County 9 years in a row.

Fairmont consists of five campuses:

Fairmont Preparatory Academy (9 - 12th grade), Anaheim Hills Campus (preschool - 8th grade), North Tustin Campus (pre-kindergarten - 8th grade), Historic Anaheim Campus (preschool - 8th grade), and San Juan Capistrano (preschool - 12th grade), which together aim to provide a consistent program from preschool through 12th grade. Fairmont Schools offer students a truly unique experience, with multiple high-level academic specializations offered, as well as a wide variety of sports, arts and extracurricular activities. Fairmont offers students all the benefits of a small school, while still offering large school opportunities that prepare them for top universities. Recent acceptances include Stanford, Yale, Harvard, Cornell, UCLA and UC Berkeley.

Students have access to more than 100 academic offerings that meet the University of California admissions standards

- Adapted Model: Students who need language support can take tailored academic classes (Provided at the Historic Anaheim, San Juan Capistrano, and Preparatory Academy campuses).
- 42 College Preparatory Courses
- 37 Honors-Level Courses
- 21 Advanced Placement (AP) Courses
- International Baccalaureate (IB): Fairmont is one of only two schools in California and one of roughly forty in the United States to offer all three IB Programmes. All Historic Anaheim campus faculty have been certified as IB Educators. (Provided in Historic Anaheim and Preparatory Academy campuses)
- IB Primary Years Programme for preschool – 5th grade students
- IB Middle Years Programme for students in 6th – 8th grade
- IB Diploma Program for students in 9th – 12th grade

Specialized academic tracks are offered to students who are interested in business, math, science, computer science and engineering

International Business Program: The International Business Program is geared towards exposing students to the foundations of a university business major. Students gain real-world experience through guest speakers, field trips and internships.

Advanced Science and Engineering Program (ASEP): This program is built on a core foundation in biology, chemistry and physics while providing students with additional opportunities to add advanced math courses to their course load. AESP successfully prepares students to study STEM in college and ASEP graduates have attended top universities including Brown, MIT, Northwestern, Stanford, Cal Tech, Columbia, UPenn and Harvard

Advanced Math Program: Fairmont's math program rivals those of top math and science schools across the country, allowing students to take college-level math courses rarely offered in high school.

Excellent college acceptance results every year

- Over the last three years, 95% of graduates have been accepted to TOP 100 U.S. universities. Fairmont receives consistent admissions to Stanford, Yale, Harvard, Cornell, UCLA and UC Berkeley.

A wide range of after-school activities are provided, including 63+ student clubs, community service projects, student government, sports and visual/performing arts

- **Speech & Debate:** Fairmont's nationally renowned Speech and Debate Program is ranked #1 in California and #12 in the country.
- **Athletic Academy:** The Fairmont Athletic Academy provides middle school athletes with an innovative educational experience that integrates athletic training into the school day.
- **Hockey Academy:** The Fairmont Hockey Academy offers a highly competitive hockey program. Academy players begin their day on the ice and are transported to campus after morning training sessions. (Additional fees apply)
- **Junior High Developmental Hockey Program:** Junior high students will have 4.5 hours of on-ice development and 1.5 hours of off-ice development every week. (Additional fees apply)
