

Founded in 1965, Rosary Academy is a premier all-girls college preparatory school located in Southern California's vibrant Orange County.

Designed to empower young women, Rosary provides a supportive learning environment, tailored to how girls learn best, where students gain the confidence to lead, excel academically, and pursue their passions.

Rosary is also recognized for its innovative Pathways Program, which helps students explore their interests and prepare for future careers through hands-on learning experiences and industry partnerships with leading companies such as Google and Amazon. These pathways prepare students for top universities and beyond, while also fostering the independence and confidence to thrive as future leaders in their chosen field.

All-Girl Advantage

Rosary Academy provides a safe, supportive environment where every student feels seen, heard, and encouraged to succeed. In a community designed exclusively for young women, students can focus on their academic, personal, and leadership growth without the social pressures and distractions found in coeducational settings. This nurturing environment allows girls to be themselves, build confidence, take on new challenges, and develop lifelong friendships.

The benefits of an all-girls education extend well beyond high school. In fact, **93% of girls' school graduates report greater leadership opportunities**,* highlighting the lasting impact of learning in an environment specifically designed to help young women succeed.

Pathway Program

Rosary Academy's signature Pathway Program connects classroom learning with real-world career exploration, helping students discover their passions while building the knowledge, skills, and experience needed for future success. Through specialized coursework, hands-on projects, industry mentorship, and internship opportunities, students gain an early advantage as they prepare for college and their future careers.

Students in the Program have completed internships with leading organizations including **Google**, **Amazon Future Engineers**, **Providence St. Jude Medical Center**, and more.

Pathways include:

- Computer Science
- Engineering
- Medical
- Sports Medicine
- Law
- Visual & Performing Arts
- Leadership
