Specialized Academic Programs

AI + Innovation Program

Guided by expert teachers, students learn to apply artificial intelligence across fields like robotics, film, design, and business. As the first school in the region to offer a dedicated AI Lab, FEIA empowers students to develop real-world skills for the future—whether coding a game, designing an invention, or producing an AI-generated short film.

Discovery & Adventure Program

FEIA's Discovery & Adventure Program takes learning beyond the classroom, combining academics with real-world exploration. Through camping and kayaking to cultural immersion and service projects, students develop independence, teamwork, and resilience while discovering Canada's incredible landscapes.

Sports at FEIA

At FEIA, international students gain access to professional coaching, world-class athletic facilities, and competitive opportunities—an unparalleled pathway to athletic and academic success.

Hockey (Boys & Girls)

- Two competitive tracks: Development (beginner-intermediate) & Elite (advanced).
- 4–5 on-ice & off-ice sessions weekly with conditioning and skills training.
- Compete against top North American prep schools with exposure to scouts.
