

Saint Anthony's High School

Long Island, New York

Global Confidence. Guaranteed.

Real confidence isn't built just by getting accepted to a university. It's built through every challenge overcome, every friendship formed, every new experience embraced, and every milestone achieved.

At SAHS, students graduate with more than an acceptance letter—they leave prepared to succeed academically, personally, and globally.

The Amerigo 360° Promise

The Amerigo 360° Promise ensures every SAHS international student is supported academically, personally, and throughout the university admissions journey. From dedicated advisors to expert guidance and pastoral care, students have the support they need to grow with confidence from day one.

- A dedicated team on every campus, every day. ***Guaranteed.***
- Proactive wellbeing & academic check-ins. ***Guaranteed.***
- Personalized coaching & university prep. ***Guaranteed.***
- Total parent transparency, every step. ***Guaranteed.***

The Amerigo 360° Promise

Our International Student Department provides more than academics, offering comprehensive support every step of the way.

Continuous on-site personalized support.

Dedicated International department staff are embedded directly on campus to provide daily guidance, emotional care, and logistical assistance.

Academic advising and GPA management.

We work closely with school counselors to support course planning and track graduation readiness, ensuring students stay on the right path academically.

Proven outcomes, empowered futures.

Our international students achieve standout university acceptances, even when starting with modest GPAs or English levels.

Flexible accommodation with structure and comfort.

Students can live in a modern, staffed residence or with a vetted host family. Regardless of their accommodation choice, they will receive seamless support from the International Student Department.

Our team

“Working with international students has provided me the unique and privileged opportunity to align my personal passion for education and cultural exchange with my professional pursuits”

Kevin Dolan

Reginal Director of Campus Operations

Andrew is the Academic Director for the international program at Saint Anthony's High School, bringing 17 years of diverse experience in international education to his role. He holds a B.S. in International Relations and an M.S.Ed. in Teaching English to Speakers of Other Languages.

Our team

"The reason I love working with high school students is because this is a time to help shape and develop their essential life skills, such as critical thinking, problem-solving, and communication. The dormitory isn't just a place for them to sleep, eat, and go to school, but a hub where they can engage with other cultures and make friends with people they never knew."

Strong Science Program

Six State-of-the-Art Science Labs

Students have access to \$9 million science labs, in fields including Biology, Chemistry, Physics, Earth Science, Marine Biology and Forensic Science

Frair Quest – St. Anthony's Science Research Program

SAHS has partnered with world-renowned institutions such as Harvard Medical School, Hofstra University, MIT, Stony Brook University, Brookhaven National Laboratory and more to offer students research opportunities.

Saint Francis Hospital Medical Education Lab

The Saint Francis Hospital Medical Education Lab at Saint Anthony's is the first program of its kind in New York State, providing students with unparalleled exposure to state-of-the-art equipment, services and medical care. St. Anthony's partners with the Saint Francis Hospital and offers a Medical Education Lab to all students. The students utilize the most advanced medical education tool.

Anatomage Table

Only 40 high schools in the US offer students an Anatomage Table, which is used for anatomy visualization and digital dissection.

The Innovation Center

The Innovation Center is an advanced STEM lab where students take part in hands-on learning.

Advanced Business Program

Saint Anthony's business courses provide students with real-life training and marketable skills. Students have the option to receive university credit for their business coursework.

Business & Entrepreneurship Center

- The Center is the main forum for the Saint Anthony's state-of-the-art business program, where students can keep track of the real-time stock market of 500 companies.
- The Center has relationships with world's leading sources of intelligent information for businesses, such as The Barron's in Education Program, the WISE Program Financial Literacy Certification Program and more.
- Guest speakers from Wall Street are invited to share their expertise and knowledge in business industry to the students.

Multiple Business classes are offered, including Honors and Dual Credit courses.

- Business Law (Honors, Dual Credit)
- Marketing (Honors, Dual Credit)
- Business and Personal Finance (Honors)
- Business Data Analytics and Entrepreneurship (Honors)

Art Course

St. Anthony's offers a robust Fine Arts Program where students can follow their passions through practicing, crafting, creating, presenting and performing their work, whether vocal, instrumental, visual or theatrical.

Vocal, Instrumental and Performing Arts

The chorus at St. Anthony's is the largest high school chorus in the entire USA. With more than 500 members, students perform a Christmas Concert in December and a Spring Concert in May.

Visual Arts

Studio in Art students complete basic assignments such as still life and perspective drawings. Artists in advanced level classes complete more intricate pieces involving watercolor and oil painting. Ceramic students work for months perfecting their statues, vases and bowls. Students in the Art Program develop very elaborate and masterful portfolios showcasing their many creations. Each year, the Art Department features a Winter Art Show and a Spring Art Show to display our students' many creations.

St. Anthony's offers 35+ visual and performing arts courses, including:

- Chorus
- Concert Band
- Symphonic Band (Honors)
- Jazz Band (Honors)
- Orchestra (Honors)
- Highland Pipe Band
- Drumming (Honors)
- Theater Arts I/II
- Studio in Art (Honors)
- AP 2-D Art and Design
- Ceramics
- Film Production
- Digital Photography

Saint Anthony's is one of the few U.S. high schools that welcomes international students directly into Grade 12.

"Saint Anthony's provided me with an incredible experience. I was really involved and loved my time here. I took advantage of every opportunity I could and was so excited to be accepted to my dream university, UCLA."

— Kayla, China

“This experience has given my daughter greater independence, responsibility, and confidence. She has confidently adapted to a new life in a different country — making new friends, improving her English, and becoming more open and mature along the way. What has meant the most to us is the understanding, friendly atmosphere, and genuine support from the school in helping her settle in. We are truly proud of how much she has grown academically and personally. Thank you for the care, communication, and help in adapting my child to the new environment.”

Parent from Ukraine

“My child truly enjoyed the way of life and the school environment here. I was truly proud when I came to visit her there.”

Parent from Italy

“My child has grown in confidence and independence, and has truly enjoyed the close care and friendly relationships at SAHS. My son will continue his journey here and move on to the university of his choice.”

Parent from Vietnam

“Through our conversations, I can feel how much clearer and more confident my daughter has become in expressing her thoughts. She has really embraced independent thinking and taking initiative.”

Homestay

At St. Anthony's High School, international students who choose to live in Homestay not only get a great education, they also find loving homes and create lasting relationships with their host families.

Homestay family selection process

Safety is always the *#1 priority* for our students. All host families undergo a rigorous application and screening process to ensure they are a good candidate to host. This includes:

- A comprehensive application
- Background check for every adult in the home
- An interview
- An in-person home check by an international staff team member
- Matching to student interest forms to ensure a good fit for both student and host (completed after acceptance into program)

Life in a Homestay

- Students live in safe, comfortable homestays in close proximity to the school
- Students have comfortable bedrooms, including a dresser, bed, desk and closet
- Host families and students are paired through methodical matching process
- Regular acculturation activities are offered through both the host family and the school
- Our international team is in constant communication with families, including receiving monthly reports
- 24/7 team is available for emergency assistance or urgent issues
- The host family offers a full-time English language environment
- Hosts provide transportation to and from the school every day
- Family provides healthy meals every day

Open Grades for Applications: 9-11 | Grade 12 on a case-by-case basis

Language Requirement:

- Accepted Tests: TOEFL iBT, IELTS, Duolingo, ELTiS
- Minimum Score: ELTiS 650+

Application Materials:

- 2 Years of Transcripts and the progress report for the current year
- English and Math Recommendation Letters
- Passport
