St. Anthony's High School

A High-Quality College Preparatory Education Just A Train Ride Away from New York City

Strong Science Program

SAHS students benefit from six state-of-the-art science labs and seven college-level classrooms. The school has a recently-built Saint Francis Hospital Medical Education Lab, which includes an Anatomage digital dissection table, providing students cutting edge equipment and hands-on experience.

University Accredited Business Classes

Students learn the fundamental aspects of business education while engaging in hands-on activities. Saint Anthony's business courses provide students with real-life training and marketable skills. Students have the option to receive university credit for their business coursework.

Fine and Performing Arts Program

SAHS has a wide range of fine and performing programs, including the largest chorus in the country with over 500 members. There's also courses and extracurriculars available in theater, dance, band and visual art.

State-of-the-Art Student Center

The Student Center includes top-tier athletic facilities, a 200-meter indoor track, music and art rooms, a video conferencing center, a wrestling room, athletic therapy accommodations and locker facilities.
