Bishop Montgomery High School highlights

STEAM, Sports Medicine and the arts on a 24-acre Southern California campus, with an Anatomage Table found in only a handful of U.S. high schools.

→ Strong STEAM Curriculum & New Facilities

30+ STEAM courses, incl. Aerospace Engineering and Anatomy & Physiology, a Robotics Lab with a competition field, MakerSpace, eSports Lab and Mac & PC labs.

→ State-of-the-Art Anatomage Table

The same digital-dissection technology used at medical schools — BMHS is one of just a handful of high schools in the country to have one.

→ Sports Medicine Program

An internship and pathway program where aspiring medical students shadow athletic trainers, help at sporting events and learn first aid.

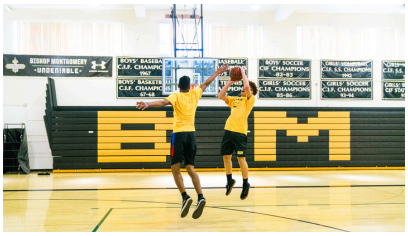

→ Fine & Performing Arts

15 visual and performing arts courses, an Annual Arts Fest, three full-length Drama Lab plays a year and a Music Production class.
