FEIA highlights

A dedicated AI Lab, elite hockey and basketball pathways, and a premium Canadian boarding experience at a genuinely affordable price.

→ Elite Hockey Pathway
The hockey programme is a Hockey Canada Approved School Program. Development & Elite tracks, 4–5 on-ice sessions a week plus off-ice training, games against top North American prep schools with scout exposure. Boys' U18 Prep and U17 compete in the CSSHL; girls' elite competes in OWHA U22AA Elite and NGHL.

→ Elite Basketball Pathway
Home to FEIA alumnus and NBA player Leonard Miller. Structured training from fundamentals to elite competition.

→ Discovery & Adventure Program
Camping, kayaking, cultural immersion and service projects, building independence, teamwork and resilience.

→ Dedicated AI Lab
Students create AI films, AI-assisted 3D design, build mobile apps and work with a robot arm using object recognition
