

OSHKI-PIMACHE-O-WIN: THE WENJACK EDUCATION INSTITUTE

We're looking for

PART-TIME SESSIONAL INSTRUCTORS!

Established by Nishnawbe Aski Nation, the Oshki-Pimache-O-Win: The Wenjack Education Institute provides culturally appropriate education and training programs to learners through a blended delivery method using e-learning platforms, attendance on-campus for 2- week intensive block sessions (including evenings and weekends), and, by distance online learning. We offer choice, accessibility and flexibility in learning opportunities for people seeking new beginnings through education and training.

We are looking for dynamic **Part Time Sessional Instructors (2 positions)** to teach in the following program in person during the intensive blocks.

Chemistry I

Course : PH148

Course Hours: 56.00

In this course, students will learn the fundamentals of chemistry with real life examples and apply them in processes and applications that relate to health care fields. The concepts studied will include the study of matter and chemical bonding, quantities in chemical reactions and solutions and solubility. These topics will have a strong health science emphasis and will provide students with a chemistry perspective of health and the human body. The chemistry concepts will continually highlight the connections of chemistry with health, medicine and research areas.

Chemistry II

Course Code: PH248

Course Hours: 56.00

In this course, students will learn the fundamentals of chemistry with real life examples and apply them in processes and applications that relate to health care fields. The concepts studied will include the study of acids and bases, gases, and organic chemistry. Students will develop an understanding of organic compounds their nomenclature, structure, properties based on intermolecular forces and reactions. These topics will have a strong health science emphasis and will provide students with a chemistry perspective of health and the human body. The chemistry concepts will continually highlight the connections of chemistry with health, medicine and research areas.

Experienced instructors will engage, mentor and support our students to achieve their education goals for new beginnings, supported by our D2L Brightspace learning management system for discussion posts, assignment submission, tests/quizzes. **Instructors will adhere to administrative requirements of Oshki-Wenjack and partner institutions.**

Oshki-Wenjack is committed to creating a diverse and inclusive environment and welcomes applications from all qualified individuals, Indigenous people, women, racialized persons, persons with disabilities and other equity-seeking groups.

Applications should include: a letter of interest, resume, evidence of teaching background (including statement of teaching philosophy, experience with and approach to equity, diversity, and inclusion of Indigenous pedagogy and culture in course materials and methods of evaluation). Please include, the names and contact information of three references.

Interested instructors are invited to submit a letter of interest for the specific program to:

Academic Director
Oshki-Pimache-O-Win: The Wenjack Education Institute 106
Centennial Square, 2nd Floor
Thunder Bay, ON P7E 1H3
Fax: (807) 622-1818
Email: ssinclair@oshki.ca

Applications will be reviewed upon receipt and accepted until all positions have been filled.
