

# Landing Page Package

# About Rocky

**My mission is to empower you to take charge of your marketing with confidence and expertise.**

## **Empowerment through Education**

My goal is not just to execute marketing tasks for you, but to empower you with the knowledge and skills you need to succeed on your own. With my guidance, you'll become a marketing pro in no time, capable of driving real results for your business.

I don't just provide cookie-cutter solutions – I work closely with you to develop customized marketing strategies tailored to your unique business needs and goals. And the best part? I'll teach you every step of the way, from setting up social media pages to creating ad campaigns and optimizing your website.

# Landing Page Package

Are you a consultant or small business owner in need of a professional online presence? Look no further! With my Simple Landing Page service, I'll guide you through the process of creating a stunning landing page that captures attention, drives conversions, and sets you up for success.

# What's Included

## **Webflow Basics Training**

Get started with Webflow with personalized training sessions. Learn the basics of navigating the platform, selecting templates, and customizing your landing page to fit your brand and goals.

## **Template Selection**

Choose from a curated selection of professionally designed templates to kickstart your landing page journey. Whether you prefer a sleek and modern design or something more playful and vibrant, we have the perfect template for you.

## **Collaborative Setup Process**

Work hand-in-hand with with me to set up your sales funnel page from start to finish. From crafting compelling content to selecting eye-catching graphics and creating clear call-to-action buttons, I'll ensure your landing page engages visitors and drives conversions.

## **Optional Engineering Add-On**

Need additional engineering support? I can assist with advanced features, integrations, and customizations to take your landing page to the next level. Additional fees may apply.

# Why work with me? .....

## **Personalized Guidance**

I'll be with you every step of the way, providing personalized guidance and support to ensure your landing page reflects your brand and achieves your goals.

## **Cost-Effective Solutions**

My simple landing page service offers a cost-effective solution for consultants and small businesses looking to establish a professional online presence without breaking the bank.

## **Empowerment Through Education**

I believe in empowering my clients with the knowledge and tools they need to succeed. With my Webflow basics training, you'll gain valuable skills that you can apply to future projects.
