

HANDS-ON WORKSHOPS, A WALK THROUGH VALENCIA AND A FIRST DRINK TOGETHER — THE DAY BEFORE THE CONFERENCE.

OCTOBER 6 · VALENCIA

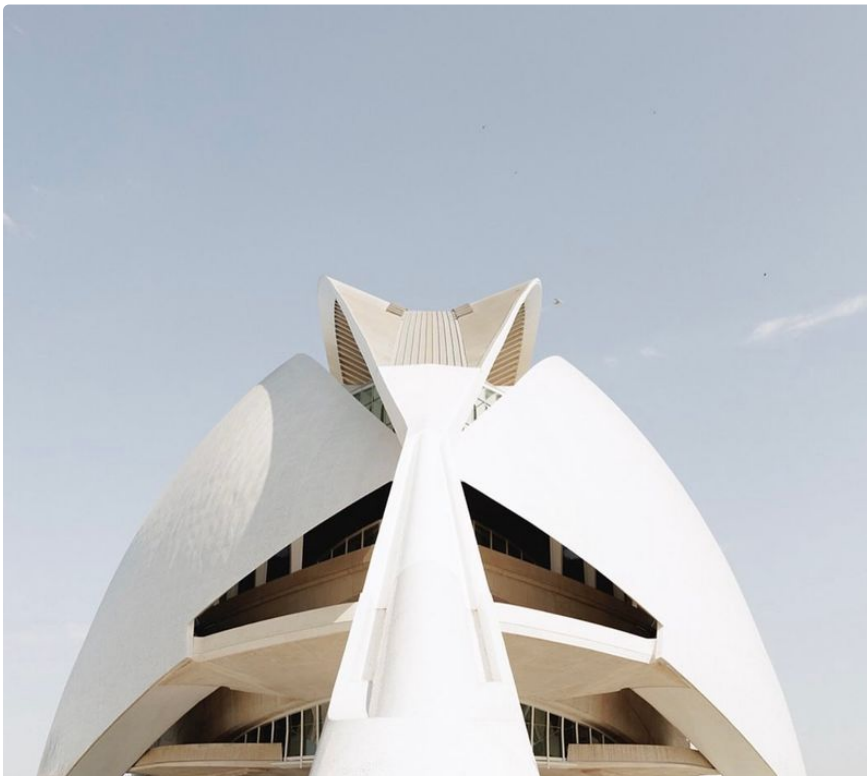

October 6 is the pre-event day. It pairs two hands-on technical workshops with a guided walk through Valencia and an informal welcome drink — a relaxed way to start the event and meet other attendees before the main conference and exhibition.

The conference itself is the next day, **October 7, at the Palau de les Arts Reina Sofía**. All October 6 activities are for IoT Sparks attendees only, and places are limited.

📅 Tuesday · October 6, 2026

🕒 15:30 – 21:30 CEST

📍 Valencia

THE PROGRAM

OCTOBER 6, HOUR BY HOUR

15:30 → 21:30
Tuesday · Valencia

NEW IN 2026

PRACTICAL WORKSHOPS

Two hands-on sessions run in parallel at two different venues — every registered workshop attendee can only attend one workshop. Both are led by industry experts and built around real cases and live demonstrations.

AI **Applied Artificial Intelligence** · Led by IBM
Deploying and governing autonomous AI agents: generating and orchestrating agents, a governance framework for the full lifecycle, and using AI across the software lifecycle.

🕒 15:30 – 18:00 📍 **La Harinera, Las Naves** · Valencia

IoT **Implementing IoT Solutions** · Led by LORIoT and Partners
A field-tested blueprint for scaling IoT: lab vs. reality, common pitfalls, total cost of ownership, and network planning & radio mapping.

🕒 15:30 – 18:00 📍 **Hotel NH Les Arts** · Valencia

CITY TOUR

A guided tour through the City of Arts and Sciences, led by a local guide. Small groups of up to 20 attendees. The walk ends at Restaurante Contrapunto for the IoT Drinks aperitif. Starting point to be confirmed.

📅 **October 6** 🕒 18:30 – 19:30 📍 City of Arts & Sciences

IOT DRINKS · APERITIF

An informal evening of drinks and conversation at Restaurante Contrapunto, next to the Palau de les Arts, for attendees, speakers and sponsors — the final stop after the workshops and the city tour.

📅 **October 6** 🕒 19:30 – 21:30
📍 Restaurante Contrapunto · Les Arts

ATTENDEES ONLY

All October 6 activities are for IoT Sparks 2026 attendees, with limited places. Workshop and side activity registrations open soon.
