

T-Rex InReach

**Our flagship clincher
for Pipe & HVAC applications**

The T-Rex is our top-selling clinching machine. Thanks to its modular design and Simple Adjust System™, it grows with and adapts to your future production needs.

PLT-Rex InReach, 32" Depth Bite

No additional compressor capacity needed

Our systems use 30% less air than most clinchers. This allows you to add a machine without upgrading your compressor capacity.

No-tool adjustment

Quickly find the right setup with our Simple Adjust System. Document your settings for repeatable results.
